

Oregon/SW Washington Chapter Scholarship Award

Overview:

The **Oregon/SW Washington Chapter of the Association for Learning Environments (herein A4LE) Scholarship** is a competitive, merit-based scholarship program designed for graduating students who seek financial support for their pursuit of post-secondary educational opportunities in similar fields represented by members of A4LE.

Qualifications:

1. The candidate shall be a graduating high school student.
2. The candidate shall have a cumulative academic average of 3.5 or higher.
3. The candidate shall have leadership potential as measured by leadership roles in school or community activities, or by creativity and vision demonstrated through participation in school or community activities.
4. The candidate will submit a personal and creative essay, video, digital resource, etc. on the required **Essay Subject**:

“There has been increasing evidence that the design and condition of an educational facility has significant impact on the quality of education and a student’s ability to learn. In 500 words or less, describe how the design and condition of your high school facility has contributed to the quality of your education. Has the facility made a positive impact? Negative? Both? Describe the changes to your high school facility that you would propose, that if implemented, would improve the quality of education for future students.”

5. The candidate must be accepted into a post-secondary educational program following their graduation, (i.e.: university, technical school, community college, etc.).
6. Applicant must be from an Oregon/SW Washington School District which currently has a member in A4LE.

Award Value:

The amount of this Scholarship will be a one-time lump sum of **\$2,000**, to be applied toward post-secondary education.

Selection of Candidate:

Qualified students shall apply directly to the Oregon/SW Washington A4LE Scholarship Committee. The committee will receive and review the applications to determine the student to receive the scholarship award. Applications are to be emailed by April 1st to the address listed below:
