

Class of 2012 Graduation Night

Camas High School ▪ 26900 SE 15th Camas, WA 98607

Dear Community Member,

Thank you for being a valued and prominent member of the Camas Community.

Each year Camas High School graduates over 400 students who will be entering the work force in our community or continuing their education in college. We are fortunate enough to provide these students with a great opportunity to spend an evening celebrating twelve years of academic success in a completely drug and alcohol free setting. In order to put on an event of this magnitude, we need your help.

The funds for this event are raised in part by the following activities which include; student ticket sales, fundraising events such as fireworks stands, wreath sales, and 50/50 at the Friday night football games. Most importantly, the Class of 2012 depends on generous contributions from community members like you.

You can help us make this a successful event for the 2012 graduates in the following ways; cash donations, gift cards, or a donation of product (which are all tax-deductible). The cash donations will be used to pay for the cost of the facility and transporting the graduates to and from the event, or can be stipulated to be used for a college scholarship. Gifts and donations received will be used as prizes given throughout the evening. Please make contributions payable to CHS Graduating Class of 2012.

Will you help us celebrate student success of the graduating class of 2012 by supporting this event?

Sincerely,
Ellen Doyle
