# ACADEMICS

## ADVANCED PLACEMENT CLASSES

CHS offers advanced placement classes that are certified by the College Board. Through college-level AP (Advanced Placement) courses, you enter a universe of knowledge that might otherwise remain unexplored in high school; through AP Exams, you have the opportunity to earn credit or advanced standing at most of the nation's colleges and universities. CHS currently offers AP courses in Studio Art, English Language, English Literature, US History, US Government/Politics, Spanish, Human Geography, World History, Calculus, Biology, Chemistry, Statistics and Physics, Environmental Science. AP courses are available for 9th through 12th grade students. The only requirements are a strong curiosity about the subject you plan to study and a willingness to work hard. Just a few reasons to sign up: Gain the edge in college preparation, Stand out in the college admissions process, and Broaden your intellectual Horizons.

Students are required to sign an AP course contract. Please understand that you will not be allowed to drop an AP course once you have enrolled in it.

## ADVANCED PLACEMENT CLASSES AND CLASS RANK

CHS Class Rank and AP: Starting with the class of 2012 Advanced Placement grades at Camas High School will be factored in the class rank on a five point scale. Rationale: Class rank is one factor considered in admission to selective colleges. Our State prohibits grading AP students on a five point grading scale but we can factor in a five point scale for the purpose of calculating class rank. This allows us to encourage students to take college level courses and alleviate some of their concern that taking these classes will adversely affect their class rank.

Pre-AP classes are offered at CHS to 9th and 10th graders in the subject area of English and Science. Students are not required to take and pass Pre-AP classes in order to enroll in AP courses. Pre-AP classes are challenging and require students to be willing and able to work hard.

## ASSIST CLASSES

Assist Class offers course and credit recovery for the core subjects of Math, English, and Social Studies. In order to be eligible for credit recovery the student must have obtained at least a 50% when the course was first attempted and must complete this option within one year of the first attempt. After satisfactorily completing the credit recovery assignments the student could earn at most a 'D' grade. Course recovery involves repeating the course. **No credit is earned for the Assist class itself.**

**Students in Assist class will be on a progress contract and must work steadily toward completion of the course. Please see the online course policy for more information.**

## CAREER CENTER

The Career Center and Career Specialists are available to assist students with job and career information including post-secondary training information. College and vocational institution information is readily accessible in the Career Center.

## CREDIT & COURSE RECOVERY POLICY

1. A student may earn a maximum of 2.0 credits per year (1.0 credit per 6 weeks or 30 days) through CHS online classes.
2. A student must have at least 30 school days (6 weeks) of time per semester course in order to enroll in and complete online courses at CHS.
3. A student may attempt any given course for credit/course recovery or elective credit one time in Assist. If the student does not complete the course, the student will be charged \$110 per half-credit for repeated attempts of that course.
4. A student may elect to take CHS online courses outside of the regular 6-period day at a cost of \$110 per one-half credit if the student is credit deficient. (Note: CHS may contract with other outside agencies to provide online courses for enrichment or credit/course recovery. The cost of these courses is yet to be determined and will be paid by the student.)

5. **A limited number of elective courses are available online and a student must have approval from the Associate Principal overseeing the program in order to enroll.**
6. **A student may take at most .5 credit of any given required English, Social Studies, or Math course online through CHS online courses. The lab Science graduation requirement may not be met through CHS online courses.**
7. **All tests in online courses must be taken on campus.**
8. **A student must score at least 70% in CHS online courses in order to receive credit for the course.**

### **CREDIT LOSS AND ABSENTEEISM**

Students who are absent (excused or unexcused) twelve or more times in one or more classes in one semester may lose credit for the class, earning an F or NC grade. Absences associated with school-related activities or discipline do not count toward the total. Should the student be recommended for loss of credit, he/she may have an opportunity to appeal. (see policy for more detailed information)

### **FULL SCHEDULE REQUIREMENTS**

All 9th, 10th, 11th, and 12th grade students in the regular program are required to take six courses each semester. The 11th and 12th grade students may elect to earn credit for job experiences off-campus for a maximum of two periods per semester. Exceptions would only be those that are approved in writing by the grade-level administrator.

### **GRADE CLASSIFICATIONS**

A student will be considered a Freshman, Sophomore, Junior, or Senior when they have earned the following credits:

<b>Freshman (9th grade)</b>	Recommendation from 8th grade
<b>Sophomore (10th grade)</b>	5.0 credits w/ at least .50cr in English 9 or 4.0 credits w/ 1.0cr in English 9
<b>Junior (11th grade)</b>	10.0 credits w/ at least 1.5cr in English or 9.0 credits w/ 2.0credits in English
<b>Senior (12th grade)</b>	16.0 credits w/ at least 2.5cr in English or 15.0 credits w/ 3.0cr in English

### **GRADE DEFINITIONS**

The following describes criteria for scholastic marks:

**A = Excellent:** The “A” student does top quality work. The student is self-directed and contributes greatly to the class through ideas.

**B = Good:** Uses time wisely and constructively. Adds to the class.

**C = Satisfactory:** Work meets basic, minimum requirements. Participation is limited.

**D = Needs Improvement:** While the student fulfills minimum expectations, work often shows deficiencies.

**F = Failing:** Minimum requirements are not met. A lack of competence is demonstrated. **Students must repeat failed required classes within one year.**

**P = Pass:** Student has obtained at least a 60% in the course and has opted for a pass grade. Pass grades are not computed in the student’s grade point average. A maximum of two elective class credits may be taken on a Pass/Fail basis during high school (9th - 12th grades). **A student must request this option from a counselor no later than the last day of the first six weeks of the semester.** Within the first six weeks of the semester (before the first grading period) a teacher, with consent of a parent, may initiate a request to give the student a Pass/Fail grade. Notes: See guidelines for Teacher/Office Aides under Graduation Requirements. See Pass/Fail Policy for complete details.

**I = Incomplete:** This indicates a failure to complete requirements in a class even though a passing percentage may have been earned. The I will be changed to an F if the required work is not completed within four weeks unless extended by teacher.

**NC = No credit:** This indicates a loss of credit because of failure to meet attendance requirements in a class even though a passing percentage may have been earned.

**S = Satisfactory:** This grade is used ONLY to indicate that satisfactory progress has been made in a course that was NOT taken for credit, e.g. Assist.

**U = Unsatisfactory:** This grade is used ONLY to indicate that unsatisfactory progress has been made in a course that was NOT taken for credit, e.g. Assist classes.

**W = Withdrawn:** This indicates that the student withdrew from the class without earning credit or a grade. Seriously extenuating circumstances must exist which make continuing a course unreasonable. The teacher will indicate whether or not the student is passing at the time of withdrawal and grade-level administrator will determine if sufficient extenuating circumstances exist.

Credits and grades previously earned by transfer students shall be matched to the high school grades and graduation requirements as fairly as possible. The administration will make the decision when a question arises regarding grades or credits.

### GRADING SCALE

Camas High School teachers use the standardized grading scale below in all classes. Letter grades are assigned based on the percentage grade earned in a course. Percentages are rounded to the nearest whole percentage point (e.g. 90.1 - 90.4 would round to 90% and 90.5 to 90.9 would round to 91%).

93	-	100	A
90	-	92	A-
87	-	89	B+
83	-	86	B
80	-	82	B-

## PASS/FAIL POLICY

A student may opt to take a class on a Pass/Fail basis (core classes required for graduation cannot be taken pass/fail). The student must request this option in writing, using the Pass/Fail request form, from a counselor **no later than the last day of the first six weeks of the semester**. The student must obtain at least a 60% in the course in order to pass. Pass grades are not computed in the student's grade point average. If the student fails the class, the failing grade will be computed into the student's grade point average. A maximum of two elective class credits may be taken on a Pass/Fail basis during high school (9th - 12th grades). Within the first six weeks of the semester (before the first grading period), a teacher, with consent of the parent, may initiate a request to give the student a Pass/Fail grade. A student may sign-up for one or two semesters initially and may the drop the second semester Pass/Fail request if they do so before the second semester deadline. Note: Teacher aide classes are graded Pass/Fail.

## REPORT CARDS

Report cards, which reflect cumulative grading, are distributed six times each year, i.e. every six weeks. The first and second six-weeks of each semester are progress reports. These grades are not final. Progress report cards are available online through the Family Access program. Please contact your student's counselor for information on how to electronically access this program. Camas uses the semester grading system. This means the grades earned at the end of the first and second semesters are transcribed final grades. They represent the quality of work done by the student from the beginning to the end of the semester. The quality of work plus participation in each class are major factors in reaching a final grade. For clarification on participation grades, please see each department as each has its own policy on participation as it relates to grades.

As is required by district and state policy, at the beginning of the semester each teacher shall prepare in writing and distribute his/her grading policy. The policy shall include use of participation points and the impact that tardies, absences, participation, and behavior have on grades. The definition of unexcused tardies and expected behaviors will be clearly stated.

## RETKING A CLASS

A student may attempt to improve the grade of a course previously passed or failed by retaking the course at Camas High School. Students may take the course at another facility provided they receive prior approval through the counselor and administrator. Credits attempted for courses taken more than once to improve a grade/mark may count only once toward the number of credits required for graduation. Only the highest mark/grade earned for a class/course taken more than once to improve a mark/grade shall be included in the calculation of grade point average. Credits attempted for courses taken more than once to improve a grade may count toward the number of credits required for graduation on the condition that the letter grades earned for all attempts are included in the calculation of the student's grade point average. All attempts stay on the transcript. WAC 180-57-055

## SCHEDULE CHANGES

Course schedules are student driven. Specific courses are placed in the master schedule based on course selections of individual students from the previous spring. Throughout the registration process, students are informed to select their courses wisely as they will be held to the classes they registered for during Spring Forecasting. Any request for a schedule change must be submitted before the tenth day of the beginning of the semester by initiating and securing an appointment with the grade-level counselor. Strong consideration will be given to requests which involve schedule corrections to include but not limited to inaccurate level placement, readjustments needed due to summer school completion, etc. It is anticipated these changes would be very limited and only for significant extenuating circumstances. Schedule change requests after ten days into the semester must be initiated by meeting with the grade-level counselor. Again, only requests that include severe extenuating circumstances will be considered. Running Start students are subject to this policy in regards to courses taken at CHS.

### **STUDENT RECORDS**

The Family Rights and Privacy Act states that parents/guardians have “the right to inspect and review educational records of their children.” If you wish to see your child’s records, please see an administrator.

### **SUMMER SCHOOL**

Summer school is available for students who have failed courses during the school year. Any failed courses must be made up within one year after the original course was taken.

Credit Recovery is for students who failed a course and have 50% or better in the class. Regular classroom teachers have the option of either providing the work to be done or having the Summer School staff provide it. Grades earned will be D’s unless a different recommendation comes from the regular classroom teacher.

Course Recovery is for students who have failed a course with less than 50%. Students must attend each scheduled day of Summer School for the entire three weeks. Only two semester courses (total of 1.0 credit) may be recovered during Course Recovery through a combination of in class computer-based work and homework. Teacher approval is required.

# ATTENDANCE

Camas High School and the State of Washington maintain that attendance is essential in every class in order for students to have the maximum opportunity for success. The classroom environment promotes a student-teacher and student-classmate(s) relationship. Many learning activities cannot be effectively reproduced outside the classroom environment. Daily attendance and participation in class is also preparation for the world of work in which attendance is required to fulfill job responsibilities. Our policies help establish student accountability, meet current laws, and prepare students to become reliable members of the work force.

## ATTENDANCE POLICIES

1. A student's academic grade or credit in a particular subject or course may be adversely affected by reason of tardiness or absence upon the basis that: (a) the student's attendance and/or participation is related to the instructional objectives or goals or the particular subject or course and (b) the student's attendance and/or participation has been identified by the teacher as the basis for grading in whole or part, in the particular subject or course.
2. State law not only requires students to be in school, it also requires the school to take action with students and parents when students do not attend. The action may begin with a simple contact made by either the school or the parent to verify mutual knowledge of an absence. In the case of a student with identified attendance problems, further action may be required. Typical actions which are taken include the following: conferences between students, parents, counselors, teachers, and/or school administrators; rearrangement of students' schedules; attendance contracts; and filing of truancy petitions with the juvenile court.
3. Students who are absent (excused or unexcused) twelve or more times in one or more classes in one semester may lose credit for the class, earning an F or NC grade. Absences associated with school-related activities or discipline or absences excused with a note from a doctor do not count toward the total. Should the student be recommended for loss of credit, he/she may have an opportunity to appeal. (See the Attendance-related Credit Loss Policy at the end of this section for more detailed information)
4. **If a student is absent for five (5) consecutive days or more due to illness or health conditions, the school requires a note from your doctor/health provider, or the absence will be classified as unexcused. These same criteria will apply for any pattern of excessive absences.**
5. **UNDER WASHINGTON STATE COMPULSORY ATTENDANCE LAW, PARENTS OR GUARDIANS HAVE THE PRIMARY RESPONSIBILITY FOR KEEPING THEIR STUDENTS IN REGULAR ATTENDANCE.** It is the responsibility of the school to provide instruction and to inform parents of absences. There are several routine steps that are built into normal school procedures to notify students and the parents that attendance may be a problem. If we are unable to make phone or personal contact, parents will at least be contacted by mail. In the case of unexcused absences, parent conferences may be necessary.
6. If a student is absent from school for ten (10) consecutive school days without any contact from his/her parent/guardian, the school shall send to the parent/guardian, a written notice of intent to withdraw the student from school unless within five (5) additional school days from the date of mailing, the student returns to school or the parent contacts the school. Rights of students to seek readmission after such withdrawal shall be in accordance with District policy.

## ATTENDANCE PROCEDURES

### Returning to school from an absence:

1. Upon coming or returning to school from a partial day's absence (more than 10 minutes late to school is included), students will report to the Attendance Office prior to reporting to class TO OBTAIN AN ADMIT SLIP WHETHER THEY ARE EXCUSED OR UNEXCUSED.
2. Upon returning to school from a full day's absence, a signed note from the student's parent/guardian stating the exact reason for and date(s) of the student's absence will be submitted to the Attendance Office. A telephone call from the parent/guardian will be accepted in lieu of a note.

3. Students will have three days upon returning from an absence to excuse their absence. **If the absence is not excused within this three-day period, it will be classified as unexcused (truancy).**

### **CHECK IN/OUT PROCEDURE**

1. Once the student has arrived on campus and until sixth period is completed, no student may leave or come back to campus without checking through the Attendance Office.
2. Students must have a note from a parent, or parental contact with the office, in order to obtain a check out slip from the Attendance Office. **Failure to obtain an official check-out slip from the Attendance Office before leaving campus will result in discipline.** Notes/calls will not prevent the assignment of detention to students for failing to check out according to school procedure.

### **Early Dismissal from the school day:**

Notes for early dismissal for appointments must be presented to the Attendance Office before first period on the morning of the day the student plans to leave early. The attendance clerk will issue a slip to dismiss the student from class at the appointed time. The student will go to the Attendance Office and check out at the approved time.

### **EXCUSED ABSENCES**

Students with excused absences will be able to make up work assigned while they were absent. Typical examples of excused absences are as follows: illness, health condition (doctor/dental appointments), religious observation, funeral, serious injury to immediate family, disciplinary action, school activity, administrator approved pre-arranged absences, emergency situations authorized by school officials, and approved conferences (school, police, DSHS, PO).

### **UNEXCUSED ABSENCES**

An unexcused absence will result from failing to meet the requirements stated above for an excused absence. Any assignments missed as a result of an unexcused absence cannot be made up. Receiving an unexcused absence will also result in school discipline if the absence is not excused by a parent. Typical examples of unexcused absences are as follows: overslept, alarm didn't ring, shopping, baby-sitting, haircut appt., car trouble, needed at home, missed the bus, had to wait for a ride, tanning appt., transporting family to school, personal reasons (unless cleared by school officials), leaving campus unexcused, or no reason given for the absence.

### **ATTENDANCE AND PARTICIPATION IN AFTER-SCHOOL ACTIVITIES**

Any student participating in any activity shall be expected to attend and participate in all classes on the day of the scheduled activity. On any school day students must be in attendance all day to participate in practice. In the case of weekday scheduled activities, attendance in all classes the following day is also expected. In the cases of weekend scheduled activities, attendance in all classes the previous Friday is also expected. Failure to comply with these attendance regulations will result in a student being declared ineligible and not allowed to participate in the next scheduled activity. Exceptions to this rule may be made by the building administration. Students who miss school during the day because of suspension of any kind are not allowed to participate in after-school activities.

### **ATTENDANCE AND MAKEUP WORK**

The student is expected to make up the work missed due to an excused absence. Students have the number of days equal to the absence to turn in make up work unless the assignment was given a week or more before the absence or other arrangements have been made with the teacher. Students absent from classes because of school sponsored activities will not lose participation points in those classes. Any assignments missed as a result of an unexcused absence cannot be made up.

### **PRE-ARRANGED ABSENCE PROCESS**

The school does not encourage parents to take children out of school during the school year. When a student is going to be out of school for an acceptable reason and it is known in advance, the parent/guardian must make a request in writing to pre-excuse the absence. No matter the reason for the absence, we will try to work with parents providing we stay within the scope of State law and school policy. **Please remember that Washington State law requires that students be making regular academic progress in order to be excused by this process.** We may have no choice but to deny a pre-excused absence to a student if the student is doing poorly in school. The purpose of the pre-arranged absence process is to notify the student, parents, and school officials of the effect an extended absence will have on class work and to notify teachers of a student's attendance status. *Give*

*the school at least one day's prior notice for each day of planned absence.* For example, if your child will miss three days of school, contact the school at least three days prior to the absence.

1. The pre-arranged absence approval request form may be obtained from the Attendance Office.
2. The form would then be taken by the student to be signed by his/her teachers. Teachers will make necessary comments regarding the effect the absence will have on the student's progress.
3. The student will then submit the form to the appropriate grade-level administrator for approval/denial.
4. Parents are to contact the school and review, if necessary, the effect an extended absence will have on the student's progress.
5. Last minute emergency situations may be pre-arranged by the parent contacting the school by telephone.
6. Students who do not obtain a pre-arranged absence will face the possibility of the absence being considered "unexcused" and may be assigned discipline.
7. School sponsored pre-arranged absence forms must be turned in to the Attendance Office three days prior to the date of the activity unless arrangements have been made by the teacher or advisor.
8. When a teacher or coach arranges for a group of students to be absent, the teacher or coach will provide a 3-day advanced written notice of the students involved to the assistant principal, other classroom teachers, and the attendance office.
9. The student is expected to make up the work missed due to the absence. Students have the number of days equal to the absence to turn in make up work unless the assignment was given a week or more before the absence or other arrangements have been made with the teacher. Students absent from classes because of school sponsored activities will not lose participation points in those classes.
10. A student who does not attend the school-related pre-arranged activity will be reported absent by the teacher/coach. A written list of students who were in actual attendance at the school sponsored event will be provided to the attendance office by the teacher/coach immediately prior to departure and immediately upon return to school.

## **TRUANCY**

Unexcused absences are truancy and will not be tolerated. In all such situations, students will not be allowed to participate in extracurricular and after-school activities, and may face the consequence of removal from student government and certain classes in which student trust and reliability are mandatory. For each occurrence of truancy, an attempt at parent notification will be made. The student will not receive daily classwork or participation credit when truant.

### **Consequences for Truancy of one or more days (four or more periods/day):**

First Offense:	Time for time after-school detention and parental notification
Second Offense:	Time for time after-school detention and parent conference with administrator
Third Offense:	Time for time after-school detention and parental notification
Fourth Offense:	Double time after school detention
Fifth Offense:	Three-day in-school suspension, mandatory administrator-parent-student conference, and stay-in-school agreement.
Repeated Offenses:	Reduced/changed schedule, and/or filing of a truancy petition with the Juvenile Court (after 7 days in a month or 10 days in a year)

### **Consequences for Truancy of less than a day (one to three periods/day):**

First Offense:	Time for time after-school detention
Second Offense:	Time for time after-school detention
Third Offense:	Time for time after-school detention
Fourth Offense:	Double time after-school detention and parent conference
Fifth Offense:	In-school suspension pending mandatory administrator-parent-student conference to write an attendance contract
Repeated Offenses:	In-school suspension, reduced/changed schedule, loss of course credit, etc.

**NOTE: ARRIVING TO CLASS 10 OR MORE MINUTES LATE WITHOUT A VALID EXCUSE WILL CONSTITUTE AN “ UNEXCUSED ABSENCE”.**

**TARDY POLICY**

Tardy is defined as not being in the assigned classroom or seat (as defined and communicated by the classroom teacher) when the tardy bell has stopped ringing. Students arriving late to class must present a note from a staff member if they have been held late and don't want to be considered tardy. Unexcused tardies may include the following: returning to the office for an admit slip; returning to a locker to get supplies, books, or assignments; oversleeping; locker not opening; not hearing the bell; traffic, no ride, and having to talk with someone. Individual teachers will work with students to help them learn the importance of punctuality and the consequences for not being punctual.

**Student Responsibilities include:**

1. Make a habit of being punctual.
2. Present a pass from a staff member to excuse a tardy.
3. Do not interrupt classroom activities if late.

**Teacher Responsibilities include:**

1. Inform students of your classroom tardy policy at the start of the course.
2. Make students accountable for being on time.
3. Record tardies in grade book and submit tardies to the attendance office.
4. Follow the building tardy policy consistently.
5. Notify parents and the school administration of tardy problems.

**CONSEQUENCES FOR UNEXCUSED TARDIES**

First Violation:	Verbal Warning
Second Violation:	Detention with teacher
Third Violation:	Detention with teacher
Fourth Violation:	Parent contact between student, teacher, and parent to develop a plan to eliminate tardies
Fifth Violation:	Administrative referral and one hour of detention after school. (The referral needs to include documentation of the above four steps.)
Repeat Violations:	Administrative referral resulting in exponentially increasing after-school detention(s) for each and every subsequent incidence of unexcused tardiness.

**CLOSED CAMPUS**

The Camas School District maintains a closed campus. Students are restricted to campus for the duration of the school day. Any student who needs to leave campus during the school day must get prior approval from the attendance office, which includes parent/guardian and school authorization. **Students may not loiter in parking areas or vehicles during school hours.**

**END OF SCHOOL DAY**

The school day ends at 2:25 PM. The conference period is from 2:25 - 2:55 PM; students may meet with their teachers for extra help during this time. After 2:55 PM, students should be on campus only if they are involved in an organized school activity under the supervision of staff. All other students should be off campus or waiting in the main foyer or outside of the main doors for a ride home. You may not wander the building or be in the school building without a particular reason having to do with school business.

**WITHDRAWAL FROM SCHOOL**

A student should notify the grade-level registrar at least 2 weeks before withdrawal. A withdrawal form must be completed by the student's teachers before final clearance will be given by the office. Withdrawal forms are available in the grade-level registrar's office.

**EARLY OUT FROM SCHOOL YEAR**

The State of Washington has established the length of the school year as a mandatory 180 days. Camas High School and the State of Washington strongly discourage parents from removing their students from school prior to the last day of the scheduled school year for any reasons. We do however recognize that sometimes extenuating circumstances occur and therefore have established this policy and procedure.

**Policy:**

If the request for early release from school is approved by the grade-level administrator then the following will apply:

1. Request for more than 5 calendar days early release from school: Student would receive an incomplete in currently scheduled classes. Student would be required to attend summer school to complete classes and take final exams.
2. Request for 5 or less calendar days early release from school: Student would be required to complete any assignments required by the teacher and student would make arrangements to take the final exams after-school on his/her last two days of attendance.

**Procedure:**

1. Apply for approval of early release from school by completing and submitting the Early Release from School Request for Approval Form NO LATER THAN JUNE 1ST to the applicable grade-level administrator.
2. The applicable grade-level administrator will review the request and approve or deny it within 5 days of receipt of the request.

**ATTENDANCE-RELATED CREDIT LOSS POLICY**

We believe ATTENDANCE is so IMPORTANT that...

Students will lose credit automatically upon the 12th absence during the semester (whether those absences are excused or unexcused) unless an appeal is granted.

- If a student is failing at the end of the term, the student will receive an "F" on the report card.
- If a student is passing at the end of the term, and an appeal was denied, the student will receive an "NC" (no credit) on the report card, which does not affect the student's GPA.

Students and parents will be notified when students have up to eight (8) absences in the semester.

Parents will notified of the assignment of no credit for the class after twelve(12) absences.

Students will not be dropped from the affected class. Students will continue to attend through the end of the semester.

If a student changes classes during the semester, attendance from the first class will carry over to the new class.

Appeals will be held at the end of the semester.

Excused absences include: illness, medical appointments, religious observations, funerals, serious injury to immediate family, administratively approved pre-arranged absences, and emergency situations authorized by school officials

Exempt absences include: disciplinary actions, absences excused by a note from a doctor, administratively-approved conferences with school staff, police, DSHS, PO, etc. and school activities.

Unexcused absences include, but are not limited to: skipping school, oversleeping, faulty alarm, shopping, baby sitting, etc.

**ATTENDANCE CREDIT LOSS APPEALS PROCEDURE**

- Students have up to three days from the date of the absence to provide a valid excuse to the attendance office. After three days, the absence will be classified as unexcused if no valid excuse has been received.
- Parents and students will be notified in writing, when students have up to 8 absences
- Once 12 absences have been documented, parents and students will be notified in writing of loss of credit for the class or classes.
- Credit may be restored by the appeal process.
- Students have five school days after receipt of the appeals packet to file an appeal with the Attendance Administrator or designee. Students may obtain an appeals packet from the office of the Dean of Students
- The appeal form must have a parent/guardian signature
- The appeals board may or may not require students to attend the board process. If the appeals board needs clarification the student may be asked to present the appeal to the appeals board in person. The student will notified in writing prior to the board appearance. Appointments will not be rescheduled except in case of an emergency.

- The appeals board will be comprised of staff members.
- The appeals board will reach one of two possible decisions.

**Denied** -The student is denied credit for the class appealed. If the student is passing at the end of the semester, a grade of "NC" will be given, which does not affect the student's GPA. If the student was failing, an "F" will be given. If credit is lost, it is not possible to transfer to another class and get credit. Students must still attend class.

**Granted**--Credit is granted for the class based on the grade the student was earning at the end of the semester. If the student is failing, an "F" will given regardless of granting of appeal.

**Student Responsibilities:**

- Appeal for credit within five school days of receipt of the appeals packet
- Ensure that teachers accurately mark excused absences and field trips in their records
- Be in class unless excused by parents or teachers.

**Teacher Responsibilities:**

- Keep accurate attendance records.
- Block classes will be counted as two separate classes, with attendance taken for both portions.
- Deny credit to students who reach 12 absences, unless credit is restored by the appeals board.

**Appeal Board Responsibilities:**

- The appeal board's job is to look at attendance patterns, check documentation, and make a decision.
- The appeal board may ask students to explain absences, excused or unexcused.

# STUDENT SERVICES

Our building administrators are interested in and responsible for the total school program. They are available to students who would like to discuss problems, express ideas, or offer suggestions concerning school programs and activities. Make an appointment with a school secretary if you would like to speak with an administrator. The counselors are for the benefit of all students. Students are encouraged to become acquainted with their counselor and feel free to arrange appointments to see the counselor when there is a need.

## AWARDS

Certain school awards are given by the school to students demonstrating outstanding school service or scholastic achievement during the awards ceremony at the end of each semester.

## CONFERENCE PERIOD: 2:25-2:55 P.M. DAILY

This specific time during the school day is designed as a conference period. Teachers will regularly be found in their classroom or their teacher offices during this time. The purpose of the time is to provide opportunities for students to contact teachers individually or in small groups without a great deal of competition from meetings, activities, etc. **When a teacher asks a student to see him or her during the conference period, the student is obligated to make that contact.** If the student does not attend conference period when required by a teacher then the student will face disciplinary action. If a student has not been contacted by a teacher, then he or she may decide how to use this time. Athletics and activities will not begin until 3:05 P.M. in order that participants may take advantage of the conference period.

## DAILY BULLETIN

Important information regarding curriculum, schedules, services, activities, athletics, etc. is provided to the students, staff, and parents in the daily bulletin which is broadcast during second, available in hard-copy in the main office, and available on our web-site. Information for the daily bulletin must be submitted to the Main Office no later than 3:00 PM of the school day prior to the day the announcement is to be made. Students or staff bringing in ASB-related notices must have them signed by the club advisor and the ASB Advisor (Mrs. Anderson).

All students will leave the classroom by prearranged exits and will report to the designated site. Teachers will ensure that the windows are closed and the door is shut. Students are expected to clear the building in a quiet and orderly manner. Further directions from the instructor may be given if needed.

## **HEALTH ROOM**

A health room is provided for students who become ill during the day. Whenever possible, the student's parents will be notified and asked to take the student home. You must check with your teacher and the attendance office before going to the health room. If you are ill and wish to go home, you must check out in the attendance office. DO NOT use cell phones or classroom phones to call home if ill. Go to the Health room and the call will be made from there.

## **INTERNET/NETWORK USE**

The Internet is one of several valuable information resources available to students in classrooms and media centers throughout the district. Internet use benefits students' education in the form of access to educational resources otherwise unavailable. Students are responsible for good behavior on school computer networks. Communications on the network are often public in nature. General school and district rules for behavior and communications apply. Users should have no expectation of privacy in electronic files stored on school district computers. Network storage areas are the property of the district and may be searched/ treated in the same manner as school lockers. The network is provided for students to conduct research and receive instruction. The district will provide Internet access to a student unless his/her parents show their objection to their son or daughter using the Internet at school by completing, signing, and returning the opt-out form "Refusal of Student Internet Access" to the CHS main office.

## LOCKERS

The Registrar will assign students lockers. They are provided by the school district for students and are subject to search for a variety of reasons, e.g. missing books, check for cleanliness, drugs, alcohol, missing property, or weapons. Each student is responsible for the contents of his/her locker. Students are to use their assigned locker. All locker problems should be reported to the Registrar. Students will be required to check out of their lockers prior to the end of the school year. The lockers are to be clean and free of writing, stickers, etc. A fine will be assessed for dirty or damaged lockers.

No student may use a locker, desk, or storage area as a depository for any substance or object which is prohibited by law or school rules or which poses a threat to the health, safety, or welfare of the occupants of the school building or the building itself. Personal locks are not to be placed on lockers. Any personal lock found on a locker will be removed. School staff, including custodians, must have quick, easy access to all lockers.

Students should not bring valuables to school unless absolutely necessary. Valuables should not be left in the hall lockers or PE lockers. The school district is not responsible for items lost or stolen from lockers. Purses should be kept with you at all times or left at home. It is strongly recommended that no more than \$20 is carried to school at any time. See a secretary in the office if valuables must be brought to school.

## LOST AND FOUND

Lost articles, when found, should be taken to the office. If you are missing something at school, check at the office to see if it has been turned in to the lost and found. If you find something and it does not belong to you, DO THE RIGHT THING and deliver it to the office.

## LUNCH

For students who use our lunch room, the atmosphere of a neat and clean cafeteria make the noon meal a more enjoyable one. Your cooperation and thoughtfulness are needed to keep the cafeteria a pleasant place to eat. Each student who uses the cafeteria is required to clean up his/her own eating area following lunch. Garbage should be placed in the garbage can. **Students are not permitted to have food and/or drink outside the cafeteria/commons/courtyard. NO FOOD OR DRINK OTHER THAN WATER in a clear bottle IS ALLOWED IN ANY CARPETED AREA or STAIRWAYS.**

## MEDICATION

If your student requires daily/occasional medication, it should be dispensed before and/or after school hours under supervision of the parent/guardian. However, if this is not possible, in order for your student to receive medication at school the Authorization for Medication/Treatment at School form must be completed by the licensed health provider and the parent/legal guardian prior to the administration of prescribed medication or treatment at school. All medications must be brought to the school by the parent/guardian in the original pharmacy labeled container. Do not send the medication with your student. Students shall also be authorized to self-administer asthma/anaphylaxis medication upon completion of the authorization form. High School students are allowed to carry and self-administer a one-day supply of over-the-counter medication. Over-the-counter medication must be kept in the original container. Students will be subject to disciplinary action if they give/sell prescription or nonprescription medication to other students for consumption.

## REMOVAL OF STUDENTS FROM SCHOOL GROUNDS

No students may be removed from the school grounds; any school buildings or school function during school hours except by a person authorized to do so by law or the student's parent/legal guardian. Before a student is removed, the person seeking to remove the student must present, to the satisfaction of an administrator, evidence of his/her proper authority to remove the student. A teacher should not excuse a student from class to confer with anyone or to leave campus unless an administrator approves the request.

## SCHOOL PICTURES

Camas High School contracts with a private photographer to provide school pictures for our students. These are taken at the beginning of each school year. It is necessary for each student to be photographed for school identification purposes, ID cards, and the school annual.

## STUDENT ACADEMIC SUPPORT SYSTEM

The Student Academic Support System (SASS) hopes to remove barriers that limit a student's ability to pursue a quality education. Student academic progress is monitored by the counselors. Students, counselors, and parents will develop plans for improvement should a student be experiencing a lack of success in the classroom. Also, support and referral is provided for many of the crises and issues which affect teenagers. Some of these issues are suicidal thinking, child abuse, eating disorders, anger, stress, self-esteem, and substance abuse. The SASS also promotes wellness through various prevention clubs and activities, awareness campaigns, and curricular infusion. The Student Academic Support System is a part of the Counseling Department .

## TELEPHONE

The office and room telephones are to be used only for school business or emergency calls. **Personal cell phones are not to be used, seen, or heard from the time that the first bell rings in the morning until the last bell rings at the end of the school day.**

## TEXTBOOKS

Students are responsible for all books, materials, and equipment issued to them through their classes or school activities. Damage, loss, or failure to return school property will result in a fine for the replacement cost of said school property.

## VISITORS

Parents are always welcome to visit Camas High School. To facilitate classroom visitation and minimize disruption of the learning process, we require that you provide us advance written notification if you wish to visit a class session. The proper paperwork should be submitted to the main office. All visitors must report to the Main Office when they arrive at Camas High School. **Guests or visitors of students are not allowed.**

# ACTIVITIES AND ATHLETICS

A strong and healthy program of student government, clubs, and school-related organizations and activities represents the common interests of Camas High School students. We encourage participation in our clubs and activities. Students who actively participate in school programs generally do better academically, feel more connected to the school, and often earn special recognition, honors, and scholarships. Being involved is a great way to meet people, learn something new, and have something fun to do. If you want to know how to get into an activity, ask a friend, counselor, or other staff member. Get involved!

## ATTENDANCE AND PARTICIPATION IN AFTER-SCHOOL ACTIVITIES

Any student participating in any activity shall be expected to attend and participate in all classes on the day of the scheduled activity. On any school day students must be in attendance all day to participate in practice. In the case of weekday scheduled activities, attendance in all classes the following day is also expected. In the cases of weekend scheduled activities, attendance in all classes the previous Friday is also expected. Failure to comply with these attendance regulations will result in a student being declared ineligible and not allowed to participate in the next scheduled activity. Students who miss school during the day because of suspension of any kind are not allowed to participate in after-school activities. Exceptions to this rule may be made by the building administration.

## ACTIVITY/ATHLETIC TRANSPORTATION TO EVENTS

Participants must travel to and from events via school-provided transportation. Students who ride school-provided buses to away events as spectators must return on the buses. The exception would be those participants/students who have permission from the coach/advisor to return with their own parents. Head coaches/advisors need to make personal contact with parent when a participant/spectator requests to ride to or from an event with the parent. The only time a participant/spectator would be allowed to ride with a parent other than his/her own would be if there was explicit written permission given by a building administrator.

## ASB ACTIVITY STICKER

The Associated Student Body (ASB) activity sticker (fee = \$35.00) supports extracurricular activities and athletics. When placed on the student's ASB I.D. card, the activity sticker entitles the student to free admission to regularly scheduled home athletic events, and discounts on such things as dance admission costs. **Students must purchase this sticker if involved in any extracurricular activities, athletics, Yearbook, Leadership, Band, Choir, Newspaper, Speech/Debate, and Drama.** Purchase it in the ASB Bookkeeper's Office.

## STUDENT GOVERNMENT

The ASB Student Council consists of the ASB officers, class presidents, advisory representatives, and club representatives. The high school Assistant Principal acts as the ASB advisor. The council handles matters pertinent to school activities. This council meets monthly during the school year. Meeting times rotate throughout the day. Copies of the ASB Constitution are available in the office upon request.

## CLUBS AND GROUPS

A variety of clubs and groups are active at Camas High School. Students should check the daily and weekly bulletins for meeting times and places. All students are encouraged to participate. **All students who choose to participate in extracurricular activities must sign and abide by the Athletics/Activities Code of Conduct and must purchase an ASB sticker.** A process exists for forming a new club; for details, see the Activities Director. Some of the clubs and organizations include:

**DECA:** The DECA club through the Advanced Marketing class operates the student store. These students gain experience in handling a business and also provide a valuable service to our student body. Participation in this group often helps students land jobs outside of school with the help of teachers in the Vocational Department.

**INTERNATIONAL CLUB:** The purpose of this group is to promote better world understanding through a foreign student exchange program.

**KNOWLEDGE BOWL TEAM:** Our school competes against others in academic competitions. If you like the television program "Jeopardy", wait until you see Mr. Crowell's whiz kids. This just might be the right for you.

**NATIONAL HONOR SOCIETY:** The purpose of the National Honor Society is to promote scholarship and build character and leadership. Candidates for NHS are chosen on the basis of scholarship, character, leadership, and service. Candidates must have at least a 3.2 cumulative grade point average, which must be maintained, and must be active in at least two C.H.S. organizations.

**OTHER GROUPS: BAND, CHOIR, CHRISTIAN STUDENT UNION, DANCE TEAM, DEBATE, DRAMA, FBLA, INTERNATIONAL CLUB, KEY CLUB, LEADERSHIP, MATH CLUB, MOCK TRIAL, NEWSPAPER, PAPERMAKER MENTORS, SISTER SCHOOL, TECHNOLOGY CLUB, WASHINGTON DRUG FREE YOUTH, YEARBOOK**

# STUDENT CONDUCT

## **RULES AND REGULATIONS**

Student attention and order in the classroom are necessary for teaching and learning to take place. Students are reminded that they must adhere to standards of good behavior, not only for their own benefit, but also for the benefit of others. Students are responsible for their own actions and are held accountable for all rules and responsibilities within this handbook, the Camas School Board's policies concerning student conduct, and other rules set forth by Camas High School Administrators and Washington State law. It is also noted, that a student who violates the law when at school, at a school related activity, or during the day while under the school's jurisdiction, is also violating a school rule. Students who are disruptive, disrespectful, and who do not adhere to established policies will be subject to discipline, suspension, and/or expulsion. When a student is suspended out of school, the student will not be permitted to participate in extracurricular activities, either practice or competition.

## **GENERAL SCHOOL BEHAVIOR**

All students are expected to display proper respect for fellow classmates, adults, and the school faculty. Respecting the school buildings and equipment is also important. If problems with people or the facility come to your attention, please try to be part of the solution and help the right people figure out a way to deal with the situation.

For the sake of safety and supervision, it is not appropriate for pedestrians to gather on the sidewalks in front of school property or to gather around cars in or near the street area. The use of ethnic and/or cultural references, or other language that is reasonably understood to disparage, incite, humiliate, or degrade an individual, a race, or a group regardless of the intent will not be tolerated in school. A student shall not possess and/or distribute materials and information including, but not limited to, recipes for explosives, bombs, pornography and/or similar materials inappropriate to the high school setting and/or which demonstrate tacit approval of, or promote or incite to violence. Possession and/or distribution of such materials will result in appropriate and immediate discipline up to and including suspension or expulsion.

## DRESS AND APPEARANCE

Standards for personal appearance and dress are a responsibility of the individual student, parents, and the school administration. It is to be understood that the school standard for appearance will likely be different from the standard outside of school time. Among the purposes of this standard are:

1. To build and reinforce work habits. Most jobs require a standard for dress and appearance. Learning at an early age to accept that standard will make it easier to be successful with appearance later on.
2. To differentiate school time from other time. Students are enrolled in school to learn in a formal or semiformal atmosphere. School is not the streets or the mall. School dress standards set a tone, which reinforces the learning environment.

Dress and appearance at Camas High School or at school sponsored activities will not present health or safety problems or be disruptive. Students will be asked to change clothes if dressed inappropriately. In terms of body coverage, student attire shall comply with the published "No Bare Zone" whether they are standing or sitting. Skirts or shorts must be longer than mid-thigh even when sitting, and midribs must also be covered when sitting. Underwear must be covered. Trousers cannot be sagging below the hip or have holes in the "no bare zone". Shirts must cover the "No Bare Zone" front and back. No bra straps or cleavage can be showing. We are also requiring our athletic groups to follow this dress code when they are in classes, so cheerleaders for instance will need to wear their warm-ups in class. Clothing which carries a vulgar or offensive message, or references the use of hate, violence, alcohol, drugs, tobacco, profanity, sex, or gang affiliation will not be permitted. Hats and other headwear such as hoods, headbands, kerchiefs, scarves, bandanas, or ski goggles, will not be worn at Camas High School from the time of entry into the building until the last bell rings. Wearing chains and metal spike jewelry is a safety concern and is unacceptable. Leave your wallet chain at home. Tattoos that represent gang affiliation are unacceptable. Halter tops, bare midribs, pajamas, sagging and bagging pants or jeans, swimwear, muscle shirts, torn clothing, clothing with holes in the no bare zone, and any open display of bras, including bra straps, or other underwear are not permitted. Shoes are required by State Health Code and School Policy. House shoes or bedroom slippers are not acceptable footwear. Dress clothes, slacks, shirts and jeans are generally permitted and encouraged. **All the do's and don'ts are not listed in this handbook, nor do we intend to draw up such a list, if you have a question, please ask.**

It is understood that individual teachers, in consultation with a school administrator, may require specific appearance and attire with special consideration for safety, cleanliness, and to reinforce course curriculum.

## DRUGS AND ALCOHOL

Illicit drugs and unlawful use or possession of these substances is illegal and harmful. Students shall not possess, use, sell, or show evidence of having used any illegal/dangerous drug, alcoholic beverage, and/or intoxicant of any kind on or near school district property or at school sponsored events. Students shall not use, sell, or possess drug-related paraphernalia on or near school district property or at school district sponsored activities. With reasonable grounds, physical use tests may be applied at any time.

## ELECTRONIC ENTERTAINMENT DEVICES

Students shall not use radios, CD players, Walkmans, MP3s, TVs, computer games, audio or video recording devices, or other electronic devices on school property without express consent of a school administrator. The exception is that an individual teacher may allow such devices in his/her particular classrooms during particular scheduled periods of the day.

## ENDANGERING OTHERS

Student conduct which may put others in danger will not be permitted. This includes but is not limited to violation of fire regulation; making false fire reports; lighting matches; lighting any flame not an approved part of classroom instruction; use of incendiary or explosive materials; and threats or attempts to bomb, to burn, or to destroy, in any manner, school property or the property of school personnel or students.

A student shall not extort anything of value, threaten injury, attempt to or cause physical injury or intentionally behave in such a way as could reasonably be expected to cause physical injury to any person:

1. On or about the school grounds at any time.
2. Off the school grounds at a school activity, function, or event.
3. Off the school grounds when the prohibited behavior is a consequence of, or directly related to, causes or events which occurred or originated on school grounds.

## **FAILURE TO REPORT VIOLATIONS**

In order to maintain safety and security in our school, students are responsible for reporting serious violation of the Code of Conduct to teachers, administrators, or other appropriate staff. Serious violations include conduct or behavior which results, or may result, in injury to the person, health, or welfare of students or staff, or damage to property. Failure to report may result in corrective action.

## **FOUL LANGUAGE/VERBAL ABUSE**

A demonstration of either of these towards school staff or another student will result in disciplinary action.

## **GAMBLING**

Gambling on school property is strictly prohibited.

## **GANG ACTIVITY OR ASSOCIATION**

Camas High School has a zero tolerance policy toward gang activity or association. Groups of students which initiate, advocate, or promote activities that threaten the safety or well being of persons or property on school grounds, or disrupt the school environment are prohibited. Such groups are referred to as "gangs." The types of dress, apparel, activities, acts, behaviors, or manner of grooming displayed, reflected, or participated in by the students shall not:

1. Lead school officials to reasonably believe that such behavior, apparel, activities, acts, or other attributes are gang related, and would disrupt or interfere with the school environment or activity, and/or educational objectives;
2. Present a safety hazard to self, students, staff, and other employees;
3. Create an atmosphere in which a student, or other person's well-being is hindered by undue pressure, behavior, intimidation, overt gesture, or threat of violence; or
4. Imply gang membership/affiliation by written communication, marks, drawings, design, emblem upon any school or personal property or on one's person.

## **HALL PASSES**

All students in the halls during class time must have an appropriate VISIBLE WRITTEN OFFICIAL SCHOOL PASS from a member of the staff.

## **HARASSMENT/INTIMIDATION**

Intentional use of violence, force, coercion, and/or threat to harass or cause physical injury to another person is prohibited. Words, gestures, symbols, or physical contact which offend, intimidate, threaten or persecute others will not be tolerated. This includes such behavior as non-physical intimidation, posturing or "stare downs". The school district has a policy for assisting students who are being harassed. The first step is to let the person who is doing the harassing know that his/her action is unwanted. Students should also let an adult know what is happening. If the harassment continues then the second step is to let an administrator or counselor know the situation. An informal hearing may be held to gather more information and talk with the people involved. Students may also request a peer mediation. If the person or persons continue to harass, then a formal mediation can be requested with a school district representative to investigate the alleged harassment and make a decision regarding the next step. If the harassment continues, there are further legal steps that can be taken to protect a student's right to feel safe and comfortable at school.

## **HAZING**

Students shall not engage in behavior that recklessly or intentionally endangers the health or safety of others or inflicts bodily injury on a student in connection with initiation, affiliation or admission into a club, group organization or student body.

## **IDENTIFICATION**

Students must correctly identify themselves upon request to any staff member who asks. Refusal to do so is a safety concern and is considered defiant and downright rude, and a referable offense.

## **INDECENT MATERIAL**

No student shall possess, wear/display, produce, or distribute indecent (vulgar, obscene, profane, offensive) materials including clothing, posters, written/printed materials, audio tapes, video tapes, trading cards, and computer-based materials.

## **INTERNET/NETWORK USE**

Internet use benefits students' education in the form of access to educational resources otherwise unavailable. General school and district rules for behavior and communications apply. Users should have no expectation of privacy in electronic files stored on school district computers. Network storage areas are the property of the district and may be searched in the same manner as lockers.

The Camas School District intends to provide internet access as a tool for educational activities and does NOT intend to create a forum for discussion of 'any topic at any time'. Students using the district network are not permitted to do the following: Access offensive messages or pictures, Use obscene or defamatory language, Harass, insult, defame, or attack others, Damage computers, alter computer systems or networks, Violate copyright laws, Use another's password, Give out his/her name, address, or phone number, Trespass in another's folders, work, or files, Intentionally waste limited resources, or Employ the network for commercial purposes.

Violations may result in loss of access as well as other disciplinary or legal action ( see misuse consequences). Internet access in the Camas School District is a privilege, not a right.

## **LANGUAGE**

The words you use, the tone of your voice, and the way you treat people reflect on you and your reputation. Students are expected to treat everyone with respect and use language that demonstrates this. Foul language is not appropriate in the school environment. Additionally, ethnic, racial, sexist, or homophobic remarks are not acceptable at CHS.

## **LASER POINTERS**

Students shall not have laser pointers or other laser devices at school, on school buses, or at school-related activities without the permission of a school administrator.

## **LITTERING**

## **OFFENSES OFF SCHOOL GROUNDS**

Actions outside of school which have a negative impact on the school building, programs, students or staff will not be tolerated. Students are subject to disciplinary action at school for offenses which occur in the community or at other locations off school grounds if those offenses result in disruption to the operation of the school, the educational process, or impact the rights, safety, or welfare of students, staff, or school property.

## **PUBLIC DISPLAY OF AFFECTION (PDA)**

School is a business, a place of work and learning, and while it is also a "social" place, it is not a place for mating and courtship rituals. Prolonged embracing, kissing, and fondling are not appropriate at school. A student who chooses to engage in inappropriate public displays of affection at school is subject to school discipline.

## **RESPONSIBILITY FOR SCHOOL PROPERTY**

Each student is assigned books, lockers, materials, uniforms, etc., during the school year for which the student is responsible. Students with damaged or lost items are subject to fines. Failure to pay fines or return school property may result in records being withheld, loss of athletic eligibility, etc. Please act responsibly. If you notice property in need of repair, bring it to the attention of your advisor, your teacher, or the school office.

## **SEARCH AND SEIZURE**

With reasonable grounds, clothing, lockers, vehicles, and other possessions may be searched. If illegal items are found, they will be confiscated, the police will be notified, and school discipline will be imposed.

## **SEXUAL HARASSMENT**

5. Using derogatory sexual terms for a person;
6. Standing too close, inappropriately touching, cornering or stalking a person;
7. Displaying offensive or inappropriate sexual illustration on school property. Sexual harassment can occur adult to student, student to adult, student to student, adult to adult, male to female, female to male, male to male, and female to female. If you believe you have been sexually harassed: Step 1: See a counselor or an administrator if you feel you are being sexually harassed or if you have an uncomfortable feeling about what someone is saying or doing to you. If you would feel more comfortable reporting the harassment to someone outside of the school building then contact the District Office. Step 2: In the event of suspected sexual harassment, an administrator will investigate. Step 3: The person(s) violating the harassment policy will receive disciplinary action according to established guidelines.

The District will take prompt, equitable, and remedial actions within its authority on reports, complaints, and grievances alleging sexual harassment that come to the attention of the District, either formally or informally. Engaging in sexual harassment will result in appropriate discipline or other appropriate sanctions against offending students, staff, and/or contractors. Allegations of criminal misconduct will be reported to law enforcement. Suspected child abuse will be reported to law enforcement or Child Protective Services. It is a violation of policy to knowingly report or corroborate false allegations of sexual harassment. Persons found to knowingly report or corroborate false allegations will be subject to appropriate discipline.

Retaliation against any person who makes, or is a witness in, a sexual harassment complaint is prohibited and will result in appropriate discipline. The district will take appropriate actions to protect involved persons from retaliation.

Students may be recommended or required to participate in a formal threat assessment if the threats are deemed substantive or very serious.

## **TOBACCO**

Washington State law prohibits tobacco use by staff, students, and all visitors on school grounds, or in reasonable proximity (400 ft. of school grounds), at all times. Student use or possession of tobacco will not be allowed on school property including all district parking lots or during school sponsored events. The holding of a tobacco product will be considered the same as using. Additionally, use or possession of tobacco by persons under the age of eighteen is illegal, and the police will be notified. Tobacco look alike products are also prohibited.

## TRESPASSING

Students may be in approved areas of the school building and grounds during normal school hours or after hours with the approval of a school staff member. Students are considered to be trespassing if they are present at a school other than the school in which they are enrolled unless they are attending an approved school activity or have the approval of a school staff member. Students whose disciplinary cases are pending a long-term suspension or expulsion decision or students who have been suspended or expelled are not allowed on any school property (including school buses) or at any school-related activities without the permission of a school administrator. Students who are trespassing on any school property are subject to arrest and corrective action at school. All visitors must report directly to the office.

## VANDALISM

The willful or malicious destruction or defacement of school or private property on school premises is prohibited. Restitution, in addition to disciplinary action, will be required. Students unintentionally/accidentally causing destruction or defacement of property will be subject to restitution.

## WEAPONS

For the personal safety of all students, school district employees, and school patrons, no materials which are normally viewed as weapons, or are used for the purpose of a weapon, are permitted at school. Weapons include, but are not limited to: guns of all types including look-alikes, knives of any size, stabbing devices, throwing stars, numchuckas, explosives, mace/pepper-spray, or any weapon or device considered unsafe and dangerous according to federal and state law. Students who handle, carry, or possess such devices on or about school property subject themselves to immediate emergency expulsion. Students who handle or carry unsafe and dangerous weapons will likely be expelled with no chance of return per Washington State law and our concern about the safety of students, staff, and other school patrons.

# STUDENT DISCIPLINE

The purpose of any school is to provide the opportunity for a student to receive the best education possible. Further, it is obligatory to provide the best possible educational environment for the students of the community. The student's primary responsibility is to secure an education, and we believe that a proper atmosphere must be maintained within the school to make learning and teaching possible.

To accomplish this, we need an orderly climate in which the staff is firm, fair, consistent, and friendly and in which students strive to behave acceptably. There will be times when it is necessary for school officials to make decisions concerning a student's behavior in school. It is the intent of our discipline policy to make discipline a part of the learning experience.

The success of the educational process is based on a positive and safe atmosphere which promotes learning. In order for this to occur, Camas School District has adopted a behavioral management plan to help students learn appropriate behavior. The objective of the behavior management plan is to provide an environment where learning can take place, free of disruption from individual students. The levels of disciplinary consequences will aid students in learning responsibility, self-control, cooperation, and respect for others, all traits which will enhance their educational potential.

Each time a student is disciplined, he or she may receive a specific number of points based on the offense. (Points are given in addition to assigned disciplinary consequences.)

Points for a student will accumulate throughout the year. If a student accumulates a **minimum of one hundred (100) points**, this is an indicator the student is chronically displaying inappropriate behavior, a **long-term suspension** may be considered. A long-term suspension may be for as long as 90 ninety days and may carry over into the following school year.

When a student is found in violation of a rule, her/she will be afforded due process. The parents will be notified by phone or in writing. The student's penalty will equal the seriousness and frequency of the student's behavioral infractions.

## TEACHER ASSIGNED DISCIPLINE

Teachers have the initial responsibility for disciplining students in the classroom. The following procedures for handling discipline will be used by teachers to assign consequences for student failure to obey classroom rules:

1. The teacher conferences with the student. The teacher will explain to the student what the inappropriate behavior is and what the student needs to do to correct the misbehavior.
2. The teacher will contact parent/guardian.
3. The teacher may take disciplinary action, e.g. detention, room cleaning, or short term suspension from the class for the balance of that period (provided the teacher shall have first attempted one or more alternative forms of corrective action; State law and school policy require that the teacher contact the parent and the school administration in such a case; contact should be attempted that day and occur in no more than 24 hours.)

If this occurs, school officials will contact parents either by telephone or by certified mail. Any action the police authorities might take will be in addition to the action taken by the school. **Unlawful acts will be cumulative in nature throughout each student's education at Camas High School.** Violations include, but are not limited to the definitions or examples that follow.

## BEHAVIOR MANAGEMENT PLAN AND POINT SYSTEM

Each time a student is disciplined, he or she may receive a specific number of points based on the offense. (Points are given in addition to assigned disciplinary consequences.)

Points for a student will accumulate throughout the year. If a student accumulates a minimum of fifty points then a parent conference will be held for the purpose of creating a behavior contract. If a student accumulates a **minimum of one hundred (100) points**, this is an indicator the student is chronically displaying inappropriate behavior, a **long-term suspension** will be considered. A long-term suspension may be for as long as 90 ninety days and may carry over into the following school year.

When a student is found in violation of a rule, her/she will be afforded due process. The parents will be notified by phone or in writing. The student's penalty will equal the seriousness and frequency of the student's behavioral infractions.

### POINTS SCALE

<b>AFTER SCHOOL DETENTION:</b>	<b>5 POINTS FOR EACH OFFENSE</b>
<b>SHORT-TERM SUSPENSION:</b>	<b>15 POINTS FOR EACH OFFENSE</b>
<b>LONG-TERM SUSPENSION:</b>	<b>20 POINTS FOR EACH OFFENSE</b>

### SANCTIONS (Levels of discipline)

Among the premises of the discipline plan are:

1. Discipline is not done to you; it is done for you.
  2. In carrying out the plan, we will be firm, fair, and consistent.
  3. It is a student and parent responsibility to know and understand the discipline plan.
- 
1. **AFTER-SCHOOL DETENTION:** A sixty minute detention from 2:30PM - 3:30PM. After-school detention is held on Monday through Friday afternoons. This detention may include study hall, campus cleanup, etc. Students are expected to bring study materials.
  2. **SHORT-TERM SUSPENSION:** Temporary termination of enrollment for a period of one and up to ten days, often until stipulated conditions are met. A suspension includes denial of admission to or entry upon real and/or personal property that is owned, leased, rented, or controlled by the school district.
  3. **LONG-TERM SUSPENSION:** Suspension from school for a period of eleven or more days. A suspension includes denial of admission to or entry upon real and/or personal property that is owned, leased, rented, or controlled by the school district.
  4. **EXPULSION:** Termination of enrollment. An expulsion includes denial of admission to or entry upon real and/or personal property that is owned, leased, rented, or controlled by the school district.

### STANDARD STEPS IN THE CORRECTIVE ACTION SEQUENCE

These steps are usually followed in instances in which the student is nonresponsive to teacher corrective and disciplinary actions. Suspension, other than one period of in- school suspension must be assigned by a school administrator. In all cases of suspension of more than one day, parents will be notified as soon as possible by the assigning school employee.

- Step 1: A teacher/administrator and student conference is held possibly resulting in a corrective behavior contract.
- Step 2: A conference with a parent is required. A phone conference is permissible. Written notification will be sent home in all cases in which disciplinary action is taken. The student may be assigned to temporary in-school suspension (ISS) until a conference is held. Parental notice by the teacher will follow.
- Step 3: After school detention
- Step 4: Short term suspension, not to exceed ten school days.
- Step 5: Long term suspension, more than ten school days.
- Step 6: Emergency expulsion

## **DISCIPLINARY PROCEDURES FOR STUDENTS WITH DISABILITIES**

## **STUDENT DUE PROCESS PROCEDURES GRIEVANCE, HEARING , AND APPEAL PROCEDURES**

The administrators and teachers of Camas High School desire to treat each student fairly and firmly in instances of misbehavior. At such a conference, the student and parent shall be subject to questioning by the principal and shall be entitled to question school personnel involved in the matter being grieved.

## **SUSPENSIONS OR EXPULSIONS**

The nature and circumstances of the student conduct violation must reasonably warrant a suspension or expulsion. As a general rule no student shall be suspended or expelled unless other forms of corrective action or punishment reasonably calculated to modify his/her conduct have failed or unless there is good reason to believe that other forms of corrective action or punishment would fail if employed. However, a student may be suspended for exceptional misconduct, other than absenteeism, when such misconduct is of frequent occurrence or is serious in nature and/or is disruptive to the operation of the school.

## **SHORT TERM SUSPENSION**

In the event the proposed punishment of a student is to include the denial of the right of school attendance from any single class or full schedule of classes for more than one and up to ten consecutive days, a conference shall first be conducted with the student as follows:

2. An oral or written explanation of the evidence in support of the charges shall be provided to the student.
3. An oral or written explanation of the suspension which may be imposed shall be provided to the student.
4. The student shall be provided the opportunity to present his/her explanation. The parent of the student shall be notified of the reason for suspension and the duration of the suspension orally or by US mail as soon as reasonably possible. Any student subject to a short term suspension shall be provided the opportunity upon return to make up assignments and tests if:
  - Such assignments or tests have a substantial effect upon the student's semester grade or grades; or
  - Failure to complete such assignments or tests would preclude the student from receiving credit for the course or courses.

### **Appeal Process for Short-Term Suspension**

Any parent or student who is aggrieved by the imposition of a short-term suspension shall have the right to an informal conference with the principal for the purpose of resolving the grievance. At such conference the student and parent shall be subject to questioning by the principal and shall be entitled to question staff involved in the matter being grieved.

The parent and student after exhausting this remedy shall have the right to request a hearing in writing. A student may be removed immediately from a class or subject by a teacher or administrator without other forms of corrective action and sent to the principal or a designated school official, provided that the teacher or administrator has good and sufficient reason to believe that the student's presence poses an immediate and continuing danger to the student, other students, or school personnel, or an immediate and continuing threat of substantial disruption of the class, subject, or educational process of the student's school. Such emergency expulsion shall continue until the student is reinstated by the principal or until a hearing is held and a final determination reached. The hearing officer may continue the emergency expulsion if he/she finds that the student continues to present an immediate and continuing danger to him/herself, other students, staff, or administrators or continues to cause a substantial disruption to the educational process of the district.

The provisions governing notice and hearing of regular long-term suspension or expulsions shall apply except:

1. Written notice of the emergency expulsion shall be hand-delivered or sent by certified letter and U.S. regular mail deposited in the U.S. mail within twenty-four (24) hours of the expulsion and documenting delivery by obtaining his or her signature acknowledging receipt or the written certification of the person making the delivery;

The parent and student shall have the opportunity to be represented by counsel, to explain the alleged misconduct and to present affidavits, exhibits, and such witnesses as desired.

The hearing shall be conducted before a hearing officer appointed by the superintendent. Such hearing officer shall not be a witness and shall determine the facts of each case solely on the evidence presented at the hearing. The hearing officer shall state in writing the findings as to the facts, conclusions, and disposition to be made. The decision shall be provided to the parent and student or counsel.

#### **Appeal Process for Long-Term Suspension or Expulsion**

## ACTIVITIES CODE OF CONDUCT CAMAS SCHOOL DISTRICT

Extra-curricular activities require a great commitment from students, advisors, and parents. Programs in the Camas School District stress personal dedication, drive, and determination while teaching the participant to accept obligations to the group, teammates, advisors, coaches, the student body and the community.

Extra-curricular activity programs in the Camas School District are a privilege and are completely voluntary for students. Students participating in extra-curricular programs are considered to be in positions of leadership. They represent the school and the community, and as leaders we expect they will do nothing that reflects negatively on the school or the community.

This Activities Code is designed to establish reasonable, high standards for students who aspire to participate in all extra-curricular activities, which include all optional, non-credit, school-approved student activities, which are personal, social, or recreational in nature. This code is designed to help students choose not to participate in illegal or unhealthy activities. It is also designed to help support parents in their efforts to guide their children towards healthy lifestyles.

Procedures for administering the Activities Code and the appeal process are consistent with the Washington Administrative Codes that address student conduct.

### General Rules

All students participating in extra-curricular activities or planning to participate in an activity at some point during the school year, shall abide by the following rules at all times including school vacations, weekends, and non-school hours:

1. Participants, parents, guardians, and/or legal custodians will agree in writing to abide by all rules set forth.
2. Participants will have valid medical and dental insurance prior to being allowed to practice/participate for the first time.
3. Participants will purchase an ASB card as a condition of taking part in extra-curricular activities.
4. Participants will maintain a 2.0 GPA and pass at least five classes in the grading period immediately prior to the activity or season. ASB and Class officers must maintain a 3.0 GPA.
5. Participants will be present the entire school day in order to be eligible for practice or competition. Students who miss school during the day because of illness, suspension of any kind, or unexcused absences are not allowed to participate in after-school activities. Students must be present in school for the full day in order to practice/compete in activities. Exceptions will be made for family bereavement or true emergencies, medical/dental appointments, legal appointments, and school-related activities. Other excused absences, arranged in advance through a building administrator, may be accepted. Parent requests and/or illness are NOT exceptions to this rule.
6. Participants shall not possess, use, or transmit tobacco, alcohol, inhalants, or illegal drugs of any kind. Further, participants shall not engage in behavior that enables others to illegally use these substances. Examples include serving as a designated driver for others and attending parties or events where these substances are used.
7. Participants are expected to attend all scheduled practices, meetings, contests, and performances. If it becomes necessary to miss such an activity, prior arrangements must be made with the advisor/coach.
8. School-owned equipment checked out to a participant is his/her responsibility. Loss of equipment or damage resulting from misuse will be the financial responsibility of the participant. Individuals will not be allowed to participate in subsequent activities or receive awards until this obligation is taken care of. All fines and fees must be paid in order for a student to be eligible to participate in extracurricular activities.
9. Completion of the activity season is required in order for the participant to be eligible for a letter or other team/individual awards. The exception to this is a student whose participation was limited due to an injury.

10. Participants must travel to and from events via school-provided transportation. Exceptions are injury to a participant that would require special transportation and prior arrangements approved by a building administrator. Head coaches/advisors need to make personal contact with a parent when a participant requests to ride home from an event with the parent.
11. Coaches/advisors may establish stricter standards for safety, morale, or other reasons; therefore, participants are expected to adhere to any specific rules for each activity not stated in the Code of Conduct.

**Satisfactory Academic Progress**

Participants will maintain a 2.0 g.p.a. and pass 80% of the classes in which they are enrolled during the grading period immediately prior to the activity or season, i.e. you cannot fail more than one class. (Block classes are considered separately, e.g. Humanities = 2 classes.) Those who do not meet this requirement will be placed on academic probation: Participants placed on academic probation will not be eligible to participate in activity events. Participants are allowed to practice during the ineligible period of time. Participants who are put on academic probation for any two consecutive grading periods or more than two grading periods in a school year will be suspended for 20% of the current or upcoming activity season. They will need to meet all the requirements of academic probation during the suspension period.

Violation and Corrective Action**

Participants shall not knowingly possess, use, or transmit tobacco, alcohol, inhalants, or any illegal drugs. Participants shall not engage in behavior that enables other students to illegally use tobacco, alcohol, inhalants, or illegal drugs. Examples of this behavior are:

1. Attending an event, for even a short time, where tobacco, alcohol, inhalants, or illegal drugs are present or being used. When attending an event there is a reasonable expectation that the student make him/herself aware of what is happening in the surroundings and that he/she immediately remove him/herself if illegal substances are present or substances are being used illegally.
2. Holding an event where tobacco, alcohol, inhalants, or illegal drugs are being used.
3. Acting as a designated driver for students who are using tobacco, alcohol, inhalants, or illegal drugs.

Repeated offenses are cumulative during the participant's time in school.

## STUDENT ATHLETIC HANDBOOK

### INTRODUCTION

Participation in athletics in the Camas School District is a PRIVILEGE that involves TEAMWORK and SELF DISCIPLINE. Athletics is an excellent means of bringing together home, school and community, as well as contributing to your personal development, growth and education. The interscholastic athletic program also provides you the opportunity to compete in athletic contests with other schools, aids you in developing new friendships and teaches you good sportsmanship. If you decide to participate, be prepared to dedicate yourself to the athletic program. Remember, you will be a representative of your family, school and community, so your actions should be above reproach, both at and away from the athletic site. Some sports require the selection of team members. This selection is not always based entirely on athletic ability. Attitude, conduct, cooperation, loyalty and desire are also some characteristics that are considered in selecting team members.

The material in this handbook pertains to all student athletes in the Camas School District.

### ATHLETIC CODE FOR CAMAS SCHOOL DISTRICT

*REVISED 6/3/08*

#### SECTION I

Being an athlete is a PRIVILEGE that involves teamwork and SELF DISCIPLINE. Parents and coaches, along with athletes themselves, compose that team. In order to have a successful team, certain regulations must be identified and understood by everyone. The Camas School District Athletic Code exists in order to provide specific guidelines to be followed by students who represent their various schools in the field of athletics. These regulations are the product of the parents, students, coaches, school directors and administrators from the Camas School District. All members of a team bear the responsibility for working together to help make athletics a successful experience for everyone involved. Therefore this code shall be in effect 365 days a year, 24 hours a day. It will include those written rules and regulations established for students competing as representatives of the Camas School District. A student athlete in the Camas School District shall not use, consume, or possess alcoholic beverages, cigarettes, or tobacco of any form, steroids, illegal drugs, including marijuana, or paraphernalia related to the use of illegal drugs and the abuse of prescription or nonprescription drugs. The athlete shall further abide by all written training rules established for the sport in which he/she is competing, and shall at all times behave in a manner that conveys respect for all individuals. Acts of harassment or hazing will not be tolerated (See student handbook for definitions). In addition, a student athlete shall at all times and in all situations, both as a participant and as a spectator, conduct him/herself with personal integrity and honesty. Congress has adopted legislation requiring drug-free schools. A study by the National Commission on Drug-Free Schools indicated that drug and alcohol use among our nation's youth remains widespread. Appreciable numbers of students begin to use alcohol in the elementary grades and increasing numbers begin to use illicit drugs in middle school. Camas School District is committed to drug-free schools. The board has established a policy requiring that each student adhere to all the rules of conduct adopted by the district. Failure to do so shall be cause for corrective action enforced by school officials. Use and/or possession of alcohol and illicit drugs is unlawful, wrong, and harmful. A student shall not knowingly possess, use, transmit, be under the influence of, or show evidence of having used any narcotic drug, hallucinogenic drug, amphetamine, barbiturate, marijuana, alcoholic beverage or intoxicant of any kind while:

- On the school grounds during and before and immediately after school hours;
- On school grounds at any other time when the school is being used by a school group(s);
- Off the school grounds at a school activity, function, or event.

Discipline sanctions up to and including expulsion and referral for prosecution will be imposed on students who violate the standards of conduct. Examples of sanctions may include notification of parent/guardian, notification of authorities, referral for substance abuse evaluation, curtailment of

participation in district sports, suspension, expulsion, and/or completion of a drug/alcohol rehabilitation or treatment program not at district expense. (Use of a drug authorized by a medical prescription from a registered physician shall not be considered a violation of this rule.) Information about the drug/alcohol counseling and rehabilitation program may be obtained from the building administrator or student service counselors. Compliance with the above standards of conduct is mandatory for all students and will be enforced without exception.

### **Title IX**

The Camas School District #117 does not discriminate in any programs or activities on the basis of sex, race, creed, religion, color, national origin, age, veteran or military status, sexual orientation, gender expression or identity, disability, or the use of a trained dog guide or service animal and provides equal access to the Boy Scouts and other designated youth groups. If you have concerns, questions, or complaints about alleged discrimination, you can contact Rita Pakenen, HR Director, Title IX Officer at 841 NE 22nd Ave. Camas, WA 98607 or by phone at 360-335-3000.

### **Sexual Harassment**

The Camas School District and the board of directors recognize their responsibility to provide a working environment for employees and a learning environment for students that is free from all types of discrimination, including sexual harassment. Sexual harassment is illegal, and procedures have been developed that provide for receiving and investigating a complaint from any staff member or student. To make a confidential report, contact the district's personnel director at 360-335-3000.

### **Teacher Qualifications - Title I Schools**

As a parent of a student in Title I Schools, you have the right to know the professional qualifications of the classroom teachers who instruct your student. Federal law allows you to receive certain information in a timely manner if you ask for it. Specifically, you have the right to ask for the following about each of your student's classroom teachers:

- Whether OSPI has licensed or qualified the teacher for the grades and subjects he or she teaches
- Whether OSPI has decided that the teacher can teach in a classroom without being licensed or qualified under state regulations because of special circumstance
- The teacher's college major; whether the teacher has any advanced degrees and, if so, the subject of the degrees
- Whether any teachers' aides or similar paraprofessionals provide services to your student and, if they do, their qualifications. If you would like to receive any of this information, please call the personnel specialist at 360-335-3000.

### **Pesticides**

Best practices are used in our school district in the utilization of pesticides within our buildings and on our grounds. It is our intent to take steps that promote a healthy environment for our students, staff, and community. We use minimal applications directed at very specific problems. Our staff members use alternatives when possible. Applications are completed in a manner in which the chance of direct or indirect exposure is minimal. All pesticides are applied under the direction of trained, licensed staff members or contractors. If you would like to be directly contacted prior to an application in or around the building where your student(s) attend, please contact your school office and complete a contact form. More information about our pesticide practices can be found through our Board Policies on the school district web site.

### **Child Abuse Prevention**

School districts must work with state agencies, including the Office of the Superintendent Public Instruction to establish a coordinated primary prevention program for child abuse and neglect. All parents shall be given notice of the primary prevention program and may refuse to have their children participate in the program.

## HEALTH AND SAFETY

### Accidents

In the unfortunate circumstance that a child is seriously injured at school, parents/guardians are notified immediately. This is why keeping the school informed as to changes in emergency contact information is imperative. If a child needs medical attention and a parent/guardian or other emergency contact cannot be reached, school personnel will contact emergency medical services to transport the child by ambulance to the preferred hospital listed on the Student Health Inventory form. Minor injuries are usually followed up with a written note, sent home with the student, from the health assistant or building registered nurse.

### Asthma/Anaphylaxis (CSD 3419/3419P and 3420/3420P)

Students shall be authorized to self-administer asthma/anaphylaxis medication if the parent/legal guardian and licensed health provider complete the Authorization for Administration of Medication form, and the health provider and building R.N. observe the skill necessary to use the medication/device properly. The student's authorization may be limited/revoked by the district if the student demonstrates an inability to responsibly possess/self-administer such medication.

### Balloons - Students With Life Threatening Allergies

Camas School District is aware that anaphylactic reactions, most often caused by exposure to substances to which a student is allergic, can be life threatening. The sources of these allergens are typically foods, medications, stinging insects and latex. The risk of accidental exposure to these allergens can be reduced in the school setting when school staff, students, parents/legal guardians, and the licensed health professional work cooperatively to minimize risks and provide a safe environment. Please access ***The Guidelines for the Management of Students with Life Threatening Allergies*** at [www.camas.wednet.edu](http://www.camas.wednet.edu) under PARENT CORNER-SCHOOL HEALTH SERVICES. All staff and community partners will support the following guidelines:

- Utilizing only non-latex gloves
- Using non-latex face masks or respirators for personal protective equipment
- **NOT ALLOWING** the presence of latex balloons on school grounds and in school busses. (Mylar balloons are a safe substitute)
- Discouraging staff and students to wear perfume or other scented personal products
- Discouraging serving peanut butter products at elementary grade levels

### Head Lice (CSD 3414P)

According to the American Academy of Pediatrics, no-nit policies in schools are detrimental, causing lost time in the classroom, inappropriate allocation of the health services team's time for lice screening, and a response to infestations that is out of proportion to the medical significance. Transmission of lice occurs most often among family members due to the close proximity of living conditions. Misdiagnosis of head lice infestation occurs frequently and causes inappropriate exclusion from and unnecessary treatment with pediculicides. **Camas School District supports NOT having a no-nit policy, and head lice guidelines reflect the best evidence-based management and treatment options.** Educating families and community persons regarding scientific facts about head lice is important. This may then lead to allowing students with head lice and/or nits to remain in school. Please review ***Camas School District Parent Guidelines for Students with Head Lice Utilizing Evidence-Based, Best Practice Management at:*** [www.camas.wednet.edu](http://www.camas.wednet.edu) under PARENT CORNER - SCHOOL HEALTH SERVICES.

### Health Room

There is a health room in each building staffed primarily by health assistants to be used for emergencies/urgent situations. We do recognize that students may become ill while at school; in that case, you would be notified to pick up your student.

### Immunizations (CSD policy/procedure 3413)

Immediately upon enrollment in the district a ***Certificate of Immunization Status***, distributed by the Washington Department of Health, shall be completed by the student's parent. The student's immunization status will be documented as: **complete, conditional or exempt**. A student who is 'out of compliance' regarding his/her immunization record may not register for school.

The 2011 Washington State Legislature passed a law that changes the process for getting an immunization exemption. Beginning July 22, 2011, the new law says that if a parent/guardian wants to exempt their child from school or child care immunization requirements, they must first talk with a licensed health care provider about the benefits and risks of vaccinations. The provider will sign the

Certificate of Exemption form that parents have to turn in to the school or child care to exempt their child. Instead of signing the form, providers may choose to write and sign a letter verifying the same information.

Parents or guardians who demonstrate membership in a church or religious body that does not believe in medical treatment do not have to have a health care provider sign the exemptions form.

See Washington State Department of Health "Vaccines Required for School/Child Care and 2011 Immunization Exemption Law" for additional information. <http://www.doh.wa.gov/cfh/immunize/schools/default.htm>

### **Infectious Diseases - Student Health Inventory (CSD policy 3414)**

"In order to safeguard the school community from the spread of certain communicable diseases...the district shall require that the parents/guardian shall complete the **Student Health Inventory** form at the beginning of each school year". By completing this form on a yearly basis, families are assisting school health services in identifying students with possible life threatening health conditions and/or needing medication during the school day. Registered nurses then create emergency care plans, train and share plans with identified staff to help keep students safe during the school day.

### **Keeping Ill Children Home**

Please refer to the School Health Services website: [www.camas.wednet.edu](http://www.camas.wednet.edu) under PARENT CORNER - SCHOOL HEALTH SERVICES to review **Guidelines for Keeping Ill Children Home from School**. Please remember that during school, children are in close contact with each other. If children are kept home when the first signs of illness appear, it helps prevent the spread of that illness to other children.

### **Life-Threatening Health Condition (CSD policy 3413)**

Washington State law (RCW 28A.210.320) directs school districts to require the presentation of a medication or treatment order for a child's life-threatening health condition that may require medical services to be performed at school. The medication or treatment order must be presented prior to the student's attendance or continued attendance if already in school. If a medication or treatment order is not provided, the superintendent/principal of the school is REQUIRED to exclude the child until such order has been provided. Please contact the building registered nurse if your child has a life-threatening condition.

## CAMAS SCHOOL DISTRICT BUS RULES

The purpose of district transportation is to safely transport students to and from school and/or district sponsored events. Any misconduct by a student, which is detrimental to the safe operation of the bus, will be sufficient cause for the building administrator to suspend the transportation privilege. Students should be at their designated stop five minutes before the scheduled bus stop time. In the afternoon, students are to exit at their regularly assigned bus stop and go directly home.

1. Students will follow driver and adult directions. The driver is in command of the bus and students. When transporting classes or teams, the teacher or coach is primarily responsible for the students.
2. Students will observe rules of classroom conduct while riding on buses, i.e., quiet talking, hands, feet and objects to self, no teasing or rude/obscene gestures. Students must see that their possessions are kept out of the aisle.
3. Students will sit their bottoms on the seat, face forward and have their back touch the rear of the seat. Students will keep all body parts inside the bus windows at all times.
4. Eating or drinking is not allowed on the bus. This includes gum, candy, food and beverages. Special circumstances may be authorized and supervised by an accompanying teacher or coach. Students are to assist in keeping the bus clean. All trash will be placed in the wastebasket.
5. Each student may be assigned a seat in which they will be seated at all times unless permission to change is given by the school principal and/or driver. If a lap belt is in place, it must be used.
6. Students will leave the windows closed unless given permission by the driver to open them
7. Students will only ride their assigned bus and board/depart the bus at their assigned stop unless authorized permission is given. A bus pass from the student's school is required to be a guest on the non-designated route.
8. Students will get on and off the bus in an orderly manner. Students are expected to stand away from the roadway when the bus is approaching or leaving. Once the bus has come to a complete stop and the driver has given a cue, students may board the bus in single file. Students are to find a seat as quickly as possible. Students who must walk for some distance along the roadway where there are no sidewalks will walk on the left-hand side of the roadway facing oncoming traffic. Students may only cross in FRONT of the bus at the driver's direction. When students are off the bus, they will adhere to rules for pedestrians.
9. Skateboards, scooters, and roller skates will NOT be transported on the bus.
10. Headphones must be used with all electronic equipment such as music and/or gaming devices, etc. The bus driver has the right to take away the equipment and turn it over to the school administrator if the equipment creates a disruption on the bus. If the student chooses to bring electronic equipment on the bus, the driver, school, or district are not responsible for broken or missing equipment. The electronic equipment is not to be visible at school during the school day. Cell phone use is not allowed.
11. Students will refrain from carrying or possessing any items that may cause injury to passengers on the bus. Such items include, but are not limited to, sticks, breakable or glass containers, weapons or firearms, straps, cords, or pins protruding from clothing or bags, large, bulky items that cannot be held or placed between the legs, etc. Matches, lighters, cigarettes, tobacco, or illegal substances of any kind will not be allowed.
12. Animals, with the exception of Seeing Eye dogs, are not allowed on the bus.
13. Emergency doors and equipment must be left alone by the students.
14. Parents of students identified, as causing damage to buses will be charged with the cost of repairing or replacing the incurred damage. Students causing the damage may be suspended from bus transportation. Students may be asked to clean the bus after school.
15. Student misconduct will constitute sufficient reason for suspending transportation privileges.

**WAC 392-141-010 (1) School Districts—General Authority to Provide Transportation-A school is not required to provide transportation for school students but may do so.**

**WAC 392-145-015 (6) Transportation of Unsafe Articles-Requires that teachers or other school district personnel refrain from requesting students to transport on a school bus any form of animal life (except seeing eye dogs), firearms, weapons, breakable containers, flammable and**

*other articles which could adversely affect the safety of the bus or passengers.*

**WAC 392-145-020 (7) Rules for School Bus Drivers-A student may be permitted to leave the bus at other than his or her regular stop provided that permission is first obtained pursuant to district policy.**

### **SCHOOL DISTRICT BUS RULES: PROCEDURE**

1. Driver provides the student with written copy of the rules by sending them home the first day of school. Keep additional copies to distribute to new students.
2. Driver explains rules and consequences to the student. Review rules and expectations a minimum of once per month.
3. If a student breaks a rule, driver issues a verbal warning once and has the student repeat the rule or expectation. If the student physically harms another student, damages property, or causes a severe safety issue, a referral will be written without a warning.
4. A seat may be assigned for a specified amount of time by the driver (usually rows 3-6).

### **Bus Referral Procedures**

A referral should be written if student misbehavior persists after receiving a verbal warning and being assigned a seat by the driver. The following procedures should be used each time a referral is written:

1. Driver phones parent and documents time and date on referral.
2. Driver writes a referral and turns it in to dispatcher within 24 hours of incident.
3. Turn in yellow and pink copies to the dispatcher.
4. **Dispatcher will fax a copy to the school or turn in pink copy to the appropriate administrator ASAP.**

### **Consequences for Misbehavior**

#### **First Incident**

1. Driver issues student a verbal warning.
2. Driver contacts parent by phone.
3. Driver may assign a seat.

#### **Second Incident**

1. Driver completes a written referral (see Bus Referral Procedures above).
2. Driver contacts parent by phone and asks parent to sign the white copy and return it.
3. Administrator counsels the student.

#### **Third Incident**

1. Driver completes a written referral.
2. Administrator will set up parent/driver/administrator conference to discuss the problem
3. Administrator will assign a seat for a specified time period.
4. In certain circumstances, the student may be removed from the bus by the administrator.
5. A bus behavioral contract may be written and signed between the parent and student and administrator.

# APPENDIX F

## PROHIBITED STUDENT CONDUCT & EXCEPTIONAL MISCONDUCT DEFINITIONS

Any conduct which interferes with teaching and learning is not allowed. The following acts are specifically not allowed on school property, on school transportation such as busses, or at school-sponsored events such as field trips. There will be consequences for doing these things. This list is not inclusive. Behaviors marked with a dot (\*) have been determined to be a serious disruption. Students may be suspended from school for doing these things even if it is the first time that they are involved. Behaviors marked with two dots (\*\*) will result in contacting the police as well.

### Guidelines for Cellular Phone Use

Cellular phones are not to be in use during school hours. All cellular phones must be turned off and out of sight from the first bell in the morning until the last bell in the afternoon. Violation of this rule will result in phone confiscation through the end of the day.

### Definitions of Student Misconduct

**\*\*Alcohol or Other Drug Possession or Use:** A student shall not possess, use, be under the influence of any narcotic drug(s), anabolic steroids, hallucinogenic drug(s), amphetamine, barbiturates, marijuana, or any other substance purported to be one of the above described substances. The use of medication, prescribed for the individual student and used in accordance with the specific directions of the student's licensed medical practitioner, shall not be considered a violation of this policy.

**\*\*Alcohol or Other Drug Sale or Delivery:** Students shall not distribute and/or sell alcoholic beverages, unlawful drugs, legend drugs, controlled substances, hallucinogens, caffeine pills, diet pills, sleeping pills, or any substance, legal or illegal, used to induce mood or behavior changes (i.e. glue sniffing), or other drugs, medications (or items that purport to be any of the preceding), during school time, on school premises, or during school-sponsored activities.

**\*\*Arson:** Setting fire to a building or property.

**\*\*Assault or Threat of Assault:** The excessive use of physical force or threatening the use of physical force against another person, including the use of a weapon or other instrument for the purpose of inflicting injury.

**\*Attendance:** Failing to comply with building, district, and state guidelines setting forth class and school attendance.

As part of the 1995 "Becca Bill" (C 312 I 95), the Legislature enacted provisions that require schools to file a petition in juvenile court when a student accumulates at least five unexcused absences in a month, or ten unexcused absences in a year. If the allegations in the truancy petition are established by a preponderance of the evidence, the court must assume jurisdiction to intervene for the remainder of the school year. The court may order the student to attend school, or be referred to a community truancy board. If the student fails to comply with the court's order, the court can impose a variety of sanctions, including detention, fines, or community service.

**Attendance Philosophy:** School attendance is the responsibility of the student and his/her parents. It is the responsibility of the school to provide the instruction and to inform parents of absences. Additionally, state law not only requires students to be in school, it also requires the school to take action with students and parents when students do not attend. The action may begin with a simple contact made by either the school or the parent to verify mutual knowledge of an absence. In the case of a student with identified attendance problems, further action may be required. Typical actions which may be taken include the following: further contact between school official and parents; conferences with teachers and counselors; attendance contracts; disciplinary action; and filing for truancy with Juvenile Court.

**Attendance Truancy Reporting:** When a student has seven or more unexcused absences within any month during the current school year or ten or more unexcused absences in the current school year, the school will file a truancy petition with Juvenile Court. The court may then schedule a hearing with the student and his/her parents/guardians. (RCW 28A.225.030; ESSB 5439) Following are typical examples of excused and unexcused absences:

**Excused**

Illness  
 Health condition (dr., dental appt.)  
 Religious observation  
 Family emergency (funeral, serious injury  
 to immediate family member)  
 Emergency situations authorized by school  
 officials  
 Approved conferences (school, police, DSHS)

**Unexcused**

Overslept/parent overslept  
 Alarm did not ring  
 Babysitting, shopping  
 Haircut  
 Needed at home  
 Missed the bus/car trouble  
 Trip to the beach  
 Personal reasons (unless cleared by school)  
 No reason given for absence

**\*\*Bomb Threat:** Threats to bomb or damage to any public school building, facility, or property.

**\*Closed Campus Violation:** Leaving the school grounds during the school day prior to dismissal without permission by school personnel.

**\*Damage or Destruction of Property:** Intentional or careless damage to school property or private property.

Any such activity or expression by students is prohibited while they are subject to the disciplinary control of the school district. Therefore, no student on or about the school property, or in any place involving a school-related activity:

# APPENDIX G

## POLICY 3241: CLASSROOM MANAGEMENT, CORRECTIVE ACTIONS OR PUNISHMENT

All students shall submit to the reasonable rules of the district. Refusal to comply with written rules and regulations established for the governing of the school shall constitute sufficient cause for discipline, suspension or expulsion. Corrective action and/or punishment for misconduct must reflect good faith effort on the part of the staff. For the purposes of the district's policies relating to corrective action or punishment:

- A. "Expulsion" is the exclusion from school or individual classes for an indefinite period.
- B. "Suspension" is the exclusion from school, or individual classes for a specific period of time, after which the student has a right to return.
  - a. A suspension is "short term" if it is for a period of ten (10) consecutive school days or less. Separate short-term suspensions shall not total more than ten (10) school days in a semester for any student in grades K-4. Separate short-term suspensions shall not total more than 15 days in a semester for a student in any other grade. Students' grades shall not be affected substantially as a result of a short-term suspension.
  - b. Suspensions which exceed ten (10) consecutive school days are long-term suspensions.
- C. "Discipline" constitutes all other forms of corrective action or punishment, including brief exclusions from a class for not more than the remainder of the class period, including exclusion from any other type of activity conducted by or for the district. Discipline shall not adversely affect specific academic grade, subject, or graduation requirements, so long as all required work is performed.

Prior to the imposition of a corrective action or punishment upon a special education student, the school principal and special education staff who have knowledge of the student's disability will determine if there is a causal relationship between the disability and the misconduct giving rise to the corrective action or punishment. When a relationship is found to exist, special education programming procedures shall be employed. Special education students may be suspended up to ten (10) days without consideration of their status as special education students, and up to 45 days provided special education services are provided, including possible placement in an alternative learning environment for the amount of time a student without a disability would be removed from the educational setting due to misconduct.

Once a student is expelled in compliance with district policy, the expulsion shall be brought to the attention of appropriate local and state authorities, including, but not limited to, the local juvenile authorities acting pursuant to the statutes dealing with the Basic Juvenile Court Act, in order that such authorities may address the student's educational needs.

No student shall be expelled, suspended, or disciplined in any manner for the performance of or failure to perform any act not related to the orderly operation of the school or school-sponsored activities or any other aspect of the educational process.

The superintendent shall have the authority to discipline, suspend or expel students. The superintendent shall identify the conditions under which a teacher may exclude a student from his or her class and shall also designate which staffs have the authority to initiate or to impose discipline, suspensions or expulsions.

Parents and students shall be given notice of the standard of conduct the district requires regarding drug and alcohol use, and a statement of the disciplinary sanctions for violations of that standard.

A disciplinary appeal council is established. The board shall appoint three (3) members to the council to serve one, two and three year terms, respectively. All future appointments to the council shall be for two year terms and shall be made by the board. The disciplinary appeal council is charged with hearing and deciding discipline grievances and appeals of long-term suspensions and expulsions.

## **Section 1-Rights, Responsibilities, and Authority of Certificated Staff**

Certificated staff shall share responsibility for supervising the behavior of students and for maintaining the standards of conduct which have been established.

Certificated staff shall have the right to:

- D. Expect students to comply with school rules.
- E. Develop and/or review building rules relating to student conduct and control at least once each year. Building rules shall be consistent with district rules relating to student conduct and control.
- F. Exclude a student from class for all or any portion of the period or for the balance of the school day, or up to the following two (2) days, or until the teacher has conferred with the principal, whichever occurs first. Prior to excluding a student, the teacher shall have attempted one or more corrective actions. In no case shall an excluded student be returned for the balance of a period or up to the following two (2) days without the consent of the teacher.
- G. Receive any complaint or grievance regarding corrective action or punishment of students. They shall be given the opportunity to present their version of the incident and to meet with the complaining party in the event that a conference is arranged.

Certificated staff shall have the responsibility to:

- A. Principals shall distribute to students, parents and staff a publication defining the rights, responsibilities and corrective action or punishment relating to student behavior.
- B. Observe the rights of students.
- C. Enforce the rules of student conduct fairly, consistently, and without discrimination. Any infractions shall be reported orally and in writing to the principal as soon as possible regardless of any corrective actions taken by the teacher.
- D. Maintain good order in the classroom, in the hallways, and on the playgrounds or other common areas of the school, or while riding on school buses (field trip).
- E. Maintain accurate attendance records and report all cases of truancy.
- F. Principals shall notify parents when students are suspended or expelled.
- G. Set an appropriate example of personal conduct and avoid statements which may be demeaning or personally offensive to any student or group of students.
- H. Meet with a parent(s) within five school days upon request to hear a complaint regarding the use of classroom materials and/or teaching strategies that is being employed in the classroom.

Certificated staff shall have the authority to:

- A. Use such reasonable action as is necessary to protect himself/ herself, a student, or others from physical abuse or injury.
- B. Remove a student from a class session for sufficient cause.
- C. Detain a student after school for up to 60 minutes with due consideration for bus transportation.
- D. Principals shall impose suspension or expulsion when appropriate.

## **Section 2-Student Discipline**

The methods employed in enforcing the rules of the school involve professional judgment. Such judgment should be:

- A. Consistent from day to day and student to student,
- B. Balanced against the severity of the misconduct,
- C. Appropriate to the student's nature and prior behavior,
- D. Fair to the student, parent, and others, and
- E. Effective.

Since these criteria may be in conflict, established procedures must be followed in correcting misbehavior. Appeal procedures have been established in order to provide for an opportunity for every corrective action or punishment to be reviewed by someone in authority and to instill confidence among students and parents as to the essential fairness of staff.

In order to develop an environment conducive to learning, the principal shall confer with certificated staff at least once per year to develop and/or review rules of conduct to be employed in the school and corrective actions and punishment that may be employed in the event of rule infractions.

A teacher shall have the authority to exclude a student from his/her classroom pursuant to the provisions of Section 1.C of this policy.

### **Section 3-Detention**

For minor infractions of school rules or regulations, or for minor misconduct, staff may detain students after school hours for not more than 60 minutes on any given day. Secondary students may be assigned up to 240 minutes on a Saturday.

Detention shall not begin until the parent has been notified (except in the case of the adult student) for the purpose of informing him/her of the basis and reason for the detention and to permit him/her to make arrangements for the necessary transportation of the student when he/she has been detained after school hours for corrective action. In most cases, detention will be assigned within the week of the infraction unless the parent requests a same-day detention.

Students detained for corrective action shall be under the direct supervision of the staff member or another member of the professional staff.

The principal shall be responsible for seeing that the time which the student spends for corrective action shall be used constructively.

### **Section 4-In-School Suspension/Time Out Room**

The board of directors supports efforts to bring about a positive learning climate in the school. The district strives to employ staff who are skilled in the most effective instructional techniques and who are sensitive to the unique needs of each individual student.

The need for order in the school and classroom is basic to learning. Rules are established to preserve the integrity of classroom and school in order to accomplish this need. Students who are in violation of school rules not only deprive themselves of the opportunity to learn but they interfere with the progress of others.

The district strives to maintain high standards of attendance. Students who are not in school are denied the opportunity to learn. Corrective actions including suspension and expulsion are reserved to those students who actively threaten other students, staff or the overall school environment.

The district, therefore, has created an in-school suspension or time-out program which temporarily removes the student from the regular environment but permits the student to maintain his/her educational progress.

Students who are assigned to in-school suspension or time-out are granted this opportunity as a privilege and are expected to comply with the expectations of staff. The superintendent shall establish guidelines for the operation of the in-school suspension program.

### **Section 5-Appeal Process for Disciplinary Action**

Any parent or student who is aggrieved by the imposition of discipline shall have the right to an informal conference with the principal for the purpose of resolving the grievance. At such conference the student and parent shall be subject to questioning by the principal and shall be entitled to question staff involved in the matter being grieved.

The parent and student after exhausting this remedy shall have the right, upon two (2) school business days' prior notice, to present a written and/or oral grievance to the superintendent. If the grievance is not resolved, the parent and student, upon two (2) school business days' prior notice, shall have the right to present a written grievance to the disciplinary appeal council during its next regular meeting, or at a meeting held within 30 days, whichever is earlier. A closed meeting may be held for the purpose of considering the grievance. The council shall notify the parent and student of its response to the grievance within ten (10) school business days after the date when the grievance was presented. The disciplinary action shall continue notwithstanding implementation of the grievance procedure unless the principal, superintendent or board elects to postpone such action.

## **Section 6-Suspensions or Expulsions**

The nature and circumstances of the student conduct violation must reasonably warrant a suspension or expulsion. As a general rule no student shall be suspended for a short or long term unless other forms of corrective action reasonably calculated to modify his/her conduct have previously been imposed upon the student as a consequence of misconduct of the same nature.

However, a student may be suspended for exceptional misconduct, other than absenteeism, when such misconduct is of frequent occurrence or is serious in nature and/or is disruptive to the operation of the school. The superintendent, following consultation with a representative ad hoc citizens' committee, shall recommend for board approval, the nature and extent of the corrective actions and/or punishments which may be imposed as a consequence of exceptional misconduct. An exception may be granted by an administrator and/or hearing officer when warranted by extenuating circumstances. No student shall be suspended or expelled because of one or more unexcused absence(s) pursuant to Board Policy 3122.

## **Section 7- Short-Term Suspension**

In the event the proposed corrective action of a student is to include the denial of the right of school attendance from any single class for three (3) to ten (10) school days or full schedule of classes for one (1) and to ten (10) school days, a conference shall first be conducted with the student as follows:

- A. An oral or written notice of the charges shall be provided to the student;
- B. An oral or written explanation of the evidence in support of the charges shall be provided to the student;
- C. An oral or written explanation of the suspension which may be imposed shall be provided to the student; and
- D. The student shall be provided the opportunity to present his/her explanation.

The parent of the student shall be notified of the reason for the suspension and the duration of the suspension orally or by U.S. mail as soon as reasonably possible. Any student subject to a short-term suspension shall be provided the opportunity upon return to make up assignments and tests if:

- A. Such assignments or tests have a substantial effect upon the student's semester grade or grades; or
- B. Failure to complete such assignments or tests would preclude the student from receiving credit for the course or courses.

## **Section 8-Appeal Process for Short-Term Suspension**

Any parent or student who is aggrieved by the imposition of a short-term suspension shall have the right to an informal conference with the principal for the purpose of resolving the grievance. At such conference the student and parent shall be subject to questioning by the principal and shall be entitled to question staff involved in the matter being grieved.

The parent and student after exhausting this remedy shall have the right to request a hearing in writing. Such request for a hearing must be received by the school district hearing officer, or by his/her office, on or before two school business days after receipt of the notice of opportunity for a hearing. The written request must be in the form of an original letter with a signature affixed. E-mail requests for hearings are unacceptable. If a request for a hearing is received pursuant to WAC 180-40-265 within the required two school business days, the school district shall schedule a hearing to commence within two school business days after the date upon which the request for a hearing was received. The disciplinary action shall continue notwithstanding implementation of the grievance procedure unless the principal, superintendent or board elects to postpone such action.

## **Section 9-Long-Term Suspensions**

As a general rule, no student shall be suspended for a long term unless another form of corrective action or punishment reasonably calculated to modify his or her conduct has previously been imposed upon the student as a consequence of misconduct of the same nature. A long term suspension may be imposed in the following instances:

- A. The behavior is of such frequent occurrence, notwithstanding past attempts of district personnel to control such misconduct through the use of other forms of corrective action and/or punishment, as to warrant an immediate resort to long-term suspension, and/or

B. Be so serious in nature and/or so serious in terms of the disruptive effect upon the operation of the school(s) as to warrant an immediate resort to long-term suspension (for example, misconduct judged by a school district to be the same or of the same nature as a violation of the state's drug or controlled substances laws).

Written notice of the suspension shall be delivered to the parent and student by certified mail or in person. The notice shall be in the parent's primary language and shall supply (1) the alleged misconduct and the school rules alleged to have been violated, (2) the recommended corrective action or punishment, (3) the right to a hearing, (4) the notice that if a written request for a hearing is not received by the staff member named in the notice within three (3) school business days after the notice is received, the hearing shall be waived and the recommended corrective action or punishment shall take effect, and (5) the date by which the request for a hearing must be received.

If a hearing is requested, the superintendent shall schedule the matter for a hearing within three (3) school business days of such request.

The parent and student and the district or representatives shall be permitted to inspect in advance of such hearing any affidavits or exhibits which are to be submitted at the hearing. The parent and student shall have the opportunity to be represented by counsel, to explain the alleged misconduct and to present affidavits, exhibits, and such witnesses as desired, as well as the opportunity to question witnesses.

The hearing shall be conducted before a hearing officer appointed by the superintendent. Such hearing officer shall not be a witness and shall determine the facts of each case solely on the evidence presented at the hearing. The hearing officer shall state in writing the findings as to the facts, conclusions and disposition to be made. The decision shall be provided to the parent and student or counsel.

### **Section 10-Appeal Process for Long-Term Suspension or Expulsion**

If a long-term suspension is imposed, the parent and student shall have the right to appeal the suspension by filing a written notice of appeal at the office of the district hearing officer within three (3) school business days after the date of receipt of the decision. The long term suspension or expulsion shall be in effect while the appeal is pending. If a request for a hearing is received pursuant to WAC 180-40-265 within the required three (3) school business days, the school district shall schedule a hearing to commence within three (3) school business days after the date upon which the request for a hearing was received. The school district hearing officer shall have the right to inspect in advance of the hearing any documentary and other physical evidence which the student and his or her parent(s) or guardian(s) intend to introduce at the hearing.

The person(s) hearing the case shall not be a witness and the guilt or innocence of the student shall be determined solely on the basis of the evidence presented at the hearing.

Either a tape-recorded or verbatim record of the hearing shall be made.

A written decision setting forth the findings of fact, conclusions, and the nature and duration of the long-term suspension or lesser form or corrective action or punishment to be imposed, if any, shall be provided to the student's legal counsel or, if none, to the student and his or her parent(s) or guardian(s).

Within 30 days of receipt of the council's final decision, any parent and student desiring to appeal any action upon the part of the hearing officer regarding the suspension or expulsion may serve a notice of appeal upon the hearing officer and file such notice with the school board. Such notice shall also set forth in a clear and concise manner the errors complained of.

### **Section 11-Emergency Expulsion**

A student may be excluded from school without other forms of corrective action if the principal reasonably believes the student is an immediate and continuing danger to him/her, other students, staff, or administrators or is a substantial disruption to the educational process of the district. Such emergency expulsion shall continue until the student is reinstated by the principal or until a fair hearing is held and a final determination reached. The hearing officer may continue the emergency expulsion if he/she finds that the student continues to present an immediate and continuing danger to him/her, other students, staff, or administrators or continues to cause a substantial disruption to the educational process of the district.

The provisions governing notice and hearing of regular long-term suspensions shall apply except:

- A. Written notice of the emergency expulsion shall be sent by certified letter deposited in the U. S. mail within twenty-four hours of the expulsion or by hand delivery to the student's parent(s) or guardian(s) within twenty-four hours of the expulsion and documenting delivery by obtaining his or her signature acknowledging receipt or the written certification of the person making the delivery;
- B. The parent and student shall have ten (10) school business days after receipt of the notice during which to request a hearing. A schedule of "school business days" potentially applicable to the exercise of such hearing right should be included with the notice; and
- C. The school district shall immediately schedule and give notice of a hearing to commence as soon as reasonably possible and in no case later than the third school business day after receipt of the request for hearing, and
- D. The hearing officer shall render the decision within one (1) school business day after the conclusion of the hearing.

## **Section 12-Appeal of Long-Term Suspension or Expulsion to School Board**

The student and his or her parent(s) or guardian(s) shall have the right to appeal the decision of the hearing officer to the board of directors. Notice indicating that the student or his or her parent(s) or guardian(s) desire to appeal the decision shall be provided to either the office of the school district superintendent or to the office of the person who rendered the decision within three (3) school business days after the date of receipt of the decision. The notice of appeal shall be accepted if in writing in the form of an original letter. E-mail requests for appeal are unacceptable. If an appeal is not taken to the board of directors or disciplinary appeal council within the required three (3) school business day period, the suspension or expulsion decided upon may be imposed as of the calendar day following expiration of the three (3) school business day period.

If a timely appeal is taken to the board of directors, the suspension or expulsion may be imposed during the appeal period subject to the following conditions and limitations:

- A. A long-term suspension or non-emergency expulsion may be imposed during the appeal period for no more than ten consecutive school days or until the appeal is decided, whichever is the shortest period;
- B. An emergency expulsion may be continued during the appeal period for so long as the student continues to pose an immediate and continuing danger to the student, other students, or school personnel or an immediate and continuing threat of substantial disruption of the educational process of the student's school;
- C. Any days that a student is temporarily suspended or expelled before the appeal is decided shall be applied to the term of the student's suspension or expulsion and shall not limit or extend the term of the student's suspension or expulsion.

The board shall schedule and hold an informal conference to review the matter within ten (10) school business days after the date of receipt of such appeal notice. At that time the student or the student's parent(s) or guardian(s) or legal counsel shall be given the right to be heard and shall be granted the opportunity to present such witnesses and testimony as the board or council deems reasonable. The designee(s) of the school district assigned to present the district's case shall have the right to inspect in advance of the hearing any documentary and other physical evidence that the student and his or her parent(s) or guardian(s) intend to introduce at the hearing, and either a tape-recorded or verbatim record of the hearing shall be made. The board shall agree to one of the following procedures prior to adjournment or recess:

- A. Study the hearing record or other material submitted and render its decision within ten school business days after the date of the informal conference, or
- B. Schedule and hold a meeting to hear further arguments based on the record before the board or council and render its decision within fifteen school business days after the date of the informal conference.

An appeal from any decision of a school board to impose or to affirm the imposition of a long-term suspension or an expulsion shall be to the courts. Whether or not the decision of a school board shall be postponed pending an appeal to superior court shall be discretionary with the school board except as ordered otherwise by a court.
