

FALL SPORTS ACTIVITIES & EVENTS

Camas High School Parents and Fans,

What an exciting time of the year. The 2015-16 school year is underway, which means the start of Papermaker Athletics is not far behind! I am grateful to have the opportunity to lead the CHS Athletic program and there is no question in my mind that this school year will be full of exciting victories and great accomplishments. Of course, the growth we will see in our student-athletes will be, in itself, extremely exciting and rewarding.

CHS Athletics Overview

At Camas High School, we strongly believe that our athletic programs serve as an extension of the classroom and allow our student-athletes to learn lifelong lessons that will both assist them to be successful in future opportunities and build positive memories that will remain with them for a lifetime. Because of this, we strongly encourage our students to get involved. We offer a variety of both cut and non-cut sports and we are confident we have something for all of our students here at Camas High School.

CHS has 22 athletic programs, which includes 8 Fall Sports programs that will compete in 225 regular contests between now and the end of October. We are proud to have a school-record 611 scholar-athletes participating in Fall Sports this year.
