

Important Dates & Information

Spring is a very busy time at CHS so we wanted to share important Student Schedule Change information with you as well as the Bell Schedules for the remaining days of the 2017-18 School year.

Student Schedule Changes for next year

The deadline for all schedules changes for the 2018-2019 school year is Wednesday, May 30. Please contact your assigned counselor to make any adjustments or change any classes before May 30.

In the Fall, we will be making very limited schedule changes for reasons such as: missing class periods, missing pre-requisite courses and yearlong courses that might be missing from schedules. So please act now if you would like to make a change to your forecasted schedule.

*the students have already forecasted so it is a last chance for them to make changes as we will not be making changes when they return in the fall.
