

TREX Challenge

Our school is participating in the TREX Challenge, a competition among schools in Clark County. It's simple: bring your clean, dry, empty plastic bags and film packaging to school and we could win a TREX bench or planter!

WHEN Now through April 15

WHAT Plastic bags and film packaging (clean, empty and dry)

WHY These plastic bags and film packaging cannot be recycled in your blue cart. When brought to our school during the TREX Challenge, these hard-to-recycle items can be turned into composite lumber for TREX products.

PLASTICS TO COLLECT:

- ✓ plastic grocery bags
- ✓ plastic department store bags
- ✓ produce bags
- ✓ bread bags
- ✓ food storage bags
- ✓ newspaper sleeves
- ✓ bubble wrap & air pillows
- ✓ cereal box liners
- ✓ case overwrap
- ✓ product wrap
